The Term shall be the period commencing on the Commencement Date and ending on the Expiration Date as described in Section 1.1, unless sooner terminated or extended as provided in this Lease.

3.2 Prior Agreements.

4. USE

4.1 Permitted Use.

Tenant agrees that the Premises shall be used only and exclusively for the Permitted Use

described in Section 1.3, as further described in this Article 4, and for no other purpose whatsoever absent Landlord's express written approval, which approval may be granted, denied, or conditioned in Landlord's sole and absolute discretion. This restriction on use of the Premises absolutely prohibits a change in use absent any such approval. Tenant acknowledges that, as of the Effective Date, the only parking it has a right to utilize in connection with the Permitted Use is (a) the parking located on the Premises, and (b) parking rights and obligations provided under that certain Reciprocal License and Use Agreement between Landlord and Tenant (as successor-in-interest to Original Lessee) dated March 14, 2012 and recorded in the Official Records of San Diego County as Doc # 2013-0179031 on March 21, 2013 (the "**Reciprocal Use Agreement**"). Tenant acknowledges and agrees that with respect to any public parking located adjacent or proximate to the Premises, Tenant has only the rights of a member of the public notwithstanding any regular or long-standing use of such parking by Tenant and/or its employees, visitors and patrons.

4.2 Continuous Operations.

From and after the Rent Commencement Date, Tenant shall actively and continuously use and operate the entire Premises and Improvements for the Permitted Use, except to the extent unable to do so by reason of a Force Majeure Event, and except for temporary interruptions reasonably and directly related to Major Alterations permitted under Section 6.1 (provided an interruption in use and operation related to a Major Alteration shall not exceed one calendar year in the aggregate unless to the extent caused by a casualty event covered by Article 20 of this Lease). Without limitation of the foregoing, on such days and for such hours as is customary for similar business operations in San Diego County, California, and in each case with appropriate staffing, (a) Tenant will keep the common areas of the Premises and those portions of the Premises subject to an existing or future Sublease containing continuous operations requirement continuously open for business, and (b) Tenant will use best efforts to (i) incorporate an appropriate continuous operations requirement into any Sublease or Sublease amendment entered into after the Effective Date and (ii) cause all existing Subtenants, to the extent not a requirement in the applicable existing Sublease, continuously open for business. 4.3 Compliance with Laws.

Tenant agrees that, in all activities on or in connection with the Premises, and in all uses thereof, including without limitation the Permitted Use and any construction of Improvements or the making of any Alterations, it will abide by and comply with, and cause Tenant Parties to abide by and comply with, all applicable Laws at Tenant's sole cost and expense, and Landlord shall not have any obligations or responsibilities to comply with any applicable Laws as to the Premises or any use thereof by Tenant; provided that Landlord shall comply with all applicable Laws as to the Premises in connection with Landlord's entry to or activities on the Premises in exercising its rights and obligations under this Lease during the Term. In addition, Tenant shall comply with and abide by such guidelines and requirements established by Landlord from time to time pursuant to the terms of the Lease upon written notice by Landlord to Tenant; provided, however, that any such guidelines shall not materially and adversely impact Tenant’s use and operation of the Premises for the Permitted Use. Without limitation of the foregoing, any failure of Tenant to fully satisfy and fulfill the requirements and conditions under any CDP (including any conditions of approval or mitigation measures or project changes pursuant to the environmental review under CEQA) or any other CCC regulations or local, state or Federal requirements now or hereafter affecting the Premises or the Improvements including the use or development thereof shall constitute a default under this Lease.

Subject to the terms of this Section 4.6, Landlord reserves the right and power to grant easements and licenses on, over, under and across the Premises to others, and the right and power for Landlord or the grantee to enter the Premises, for purposes of constructing, installing, maintaining, repairing, replacing and removing utility systems and equipment and public improvements within the Premises, provided that such access shall be during normal business hours and upon at least two days’ prior notice to Tenant (except in the case of an emergency in which case no prior notice shall be required but each of Landlord and such grantee shall notify Tenant’s on site manager thereof by phone prior to entering the Premises) and Landlord shall, and shall cause each of such grantee to: (a) comply with all applicable and reasonable security and safety procedures of Tenant of which Tenant informs Landlord in writing and with which Landlord and each such grantee can reasonably comply; (b) use commercially reasonable efforts to minimize any interference with Tenant’s operation and use of the Premises and the Improvements while on the Premises; (c) locate any future easements, rights of way, and/or public facilities in locations that do not adversely affect in any material manner Tenant’s operations on

the Premises; and (d) require such grantee to restore the Premises to the same condition as existed immediately prior to such access to the extent altered or damaged by grantee. Should Landlord so request, Tenant shall, at no cost to Tenant (other than de minimis expense) promptly join with Landlord in the execution of such documents as may be reasonably requested by Landlord to create or accommodate such grant of easement or license provided such documents are on commercially reasonable terms. Tenant shall not be entitled to any monetary payment or other remuneration for any such future easements and rights-of-way; but nothing herein is a waiver of any rights or remedies that Tenant may have at law or in equity for Landlord's breach of this Section 4.6.

4.7 Parking Area Redevelopment.

Tenant acknowledges that 1HWY1, LLC, a Delaware limited liability company, intends to propose a redevelopment of the "License Areas" as defined in the Reciprocal Use Agreement, which encumbers both the "OPH Property" (*i.e.*, the Premises) and the "Seaport Property" in the manner more particularly described and as such terms are defined in the Reciprocal Use Agreement. Tenant further acknowledges that any future redevelopment of the License Areas will likely necessitate that Landlord and Tenant amend and modify the Reciprocal Use Agreement. In order to facilitate any such potential redevelopment, Tenant agrees that it will work in good faith and in collaboration with Landlord to negotiate commercially reasonable and mutually beneficial terms to amend the Reciprocal Use Agreement in order to address (a) the location of any necessary temporary parking during any construction in connection with redevelopment; (b) the location, type, and manner of construction of replacement parking within the License Areas; and (c) revenue sharing arrangements with respect to any such replacement parking. Either Landlord or Tenant may send a 60-day notice to the other party in order to commence such negotiations. If Landlord and Tenant are unable to reach agreement on commercially reasonable terms with respect to such amendments and modifications within 180 days of commencing negotiations (the "**Negotiation Period**"), then within 45 days following the Negotiation Period, the parties shall thereafter promptly submit the matter to an expedited, nonbinding mediation conducted by the San Diego offices of Judicial Arbitration and Mediation Services, Inc. ("**JAMS**") or a similar organization if JAMS then no longer exists on the following terms: (i) any decision to ultimately amend the Reciprocal Use Agreement shall be within each of Landlord and Tenant's sole and absolute discretion; (ii) in the event of a breach of this Section 4.7, the non-breaching party's sole remedy shall be specific performance without any monetary damages; and (iii) except as otherwise provided by Section 29.13 following an action to enforce this Section 4.7, Landlord shall be solely responsible for (A) reasonable attorney's fees incurred by Tenant under this Section 4.7 in connection with negotiations during the Negotiating Period and any nonbinding mediation and (B) costs of JAMS (or other organization if JAMS no longer exists) to conduct the nonbinding mediation.

5. RENT

Tenant agrees to pay Percentage Rent and Additional Rent (collectively "**Rent**") in accordance with this Article 5. All payments of Rent and other sums due Landlord hereunder shall be paid in legal tender of the United States, without notice, invoice, setoff, deduction or demand, except as otherwise expressly provided herein. No payment by Tenant or receipt or acceptance by Landlord of a lesser amount than the Rent shall be deemed to be a waiver of any current or preceding breach by Tenant of any provision hereof. No endorsement or statement on any check or any letter accompanying any check or payment as Rent shall be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such Rent or pursue any other remedy in this Lease, at law or in equity. Tenant

waives all rights that it may have under present or future law to designate the items to which any payments made by Tenant are to be credited. Tenant agrees that Landlord may apply any payments made by Tenant to such items of Rent as Landlord designates, irrespective of any designation or request by Tenant as to the items to which such payments should be credited. All payments of Rent shall be delivered with statements required in Section 5.1.3.

Payments can be made by either check or electronic transfer with remittance information emailed to ARInvoices@portofsandiego.org. Checks must be made payable to the San Diego Unified Port District or Port of San Diego, and mailed to SDUPD General Account Lockbox, PO Box 841615, Los Angeles, CA 90084-1615. Wiring instructions shall be provided to Tenant upon a written request to District.

The designated place of payment and filing may be changed at any time by District upon 10 days' written notice to Tenant. Tenant assumes all risk of loss and responsibilities for late charges, as herein described, if payments are made by mail.

Landlord may change the designated place of payment or filing at any time upon 10 days' written notice to Tenant. Tenant assumes all risk of loss and responsibility for Late Charges and interest at the Default Rate for late payments, as hereinafter described.

5.1 Monthly Payments of Percentage Rent.

Concurrently with the delivery of each monthly report described in Section 5.1.3(a) below, but in no event later than the 20th day of each month during the Term, and on or before the 20th day following the last day of the month in which this Lease is terminated or expires, Tenant shall pay to Landlord "**Percentage Rent**", which is the product of the Gross Revenue multiplied by the applicable rate as set forth in Section below. (c) For Purposes of this Lease:

(i) **"CAM Expenses"** shall include annual actual common area maintenance costs, fees and expenses directly incurred by Tenant and attributable to fulfilling Tenant's obligations under this Lease, the Reciprocal Use Agreement, any Subleases, and any applicable covenants, conditions and restrictions, for the operation, maintenance, repair, and management of the Improvements, painting, cleaning, repairs and alterations, landscaping, utilities, rubbish removal, sewer charges, Tax Expenses, insurance premiums and deductibles, security services, advertising, promotion and publicity, office, janitorial, cleaning and building supplies, on-site management, and an administrative fee not to exceed 15% of CAM Expenses; provided, however, that all payments to parties related to or affiliated with Tenant for CAM Expenses shall not exceed reasonable market rates. 5.1.3 Reports of Gross Revenue.

(a) *Monthly Reports.* On or before the 20th day of each month following the Rent Commencement Date, and on or before the 20th day following the last day of the month in which this Lease is terminated or expires, Tenant shall deliver to Landlord, in a form prescribed by Landlord, a detailed cumulative report of Gross Revenue for that portion of the Lease Year which ends with and includes the last day of the previous calendar month. Each report shall be signed by Tenant or an authorized representative of Tenant under penalty of perjury and shall include the following:

(i) The total Gross Revenue for said portion of the accounting year, itemized by sublessee, licensee and/or concessionaire and as further prescribed by Landlord.

(ii) The related itemized amounts of Percentage Rent computed, as herein provided, and the total thereof.

(iii) The total Percentage Rent paid by Tenant for the accounting year within which the preceding month falls.

(iv) A detailed calculation of the Percentage Rent due for the preceding calendar month determined in accordance with the terms of Section 5.1.1 and Section 5.1.2.

(b) *Annual Reports.* On or before the 60th day following the end of each accounting year. Tenant shall render to Landlord an annual gross sales report, as further prescribed by Landlord, itemized by each Subtenant, with the following sales categories: (i) food

(c) *Record Keeping.* Tenant shall, at all times during the Term, and, with respect to each record, for a period of no less than seven years after the date the record was created (or such longer period as Tenant may decide in its sole discretion), keep or cause to be kept, accurate and complete records and books of account of all financial transactions in the operation of all business activities, of whatever nature, conducted in pursuit of the rights granted herein (whether conducted by or on behalf of Tenant or a Tenant Party). The records must be supported by source documents of original entry such as sales invoices, cash register tapes, bank depository documentation, purchase invoices, or other pertinent supporting documents. Financial statements (a balance sheet and income/expense statement), based upon the double entry books of account, shall be prepared periodically but not less often than annually. Tenant shall for itself and shall use commercially reasonable efforts to cause all Subtenants to (including incorporating applicable requirements into any Sublease or Sublease amendment entered into after the Effective Date) to do the following: (i) record all sales and other financial transactions by means of a comprehensive system which includes sufficient business processes to ensure that all Gross Income is clearly and accurately recorded and documented by reports and other original source documents and provided to Tenant; and (ii) ensure such system provides reporting and distinction of all sales and other income and Gross Revenue and shall generate an audit trail of all transactions. Contracts, bills, invoices, sales, receipts or other similar-type documents evidencing transactions between any parties doing business under this Lease (including each Tenant Party) shall in no event identify Rent due to Landlord as a separate charge, fee or tax. In addition to the above, in the event of admission or cover charges, Tenant shall also issue preprinted serially numbered tickets for each such admission or cover charge. Tenant shall keep or cause to be kept a sequential record of said tickets and agreements, both issued and unissued, and shall retain all voids. This Section 5.1.3(c) shall survive the expiration or earlier termination of this Lease.

(d) *Maintenance of Records; Audit.* All of Tenant's books of account, records, financial statements, and documentation related to this Lease or to business operations conducted within or from the Premises (collectively, "**Tenant Records**"), shall be kept either at the Premises or in an electronic database accessible to Landlord from time to time in accordance with the terms of this Lease for a period of no less than seven years after the date the Tenant Record was created (or such long period as Tenant may decide in its sole discretion). Without limitation of the foregoing, if there is any Tenant Party occupying or operating from any portion of the Premises, the books and records also shall include any occupancy, licensing, permit or operating agreements pertaining to such Tenant Party, as well as the books of account, records, financial statements, and documentation, relating to the operations of such Tenant Party. Upon at least five days' prior written notice to Tenant (which notice may be sent via email), Landlord shall have the right to examine and audit the Tenant Records (to the extent available in light of the record keeping requirements set forth herein), including, without restriction, for the purpose of determining the accuracy thereof, the accuracy of the monthly statements of Gross Revenue submitted, and the accuracy of the Rent paid to the Landlord. Subject to Tenant's recording keeping requirements set forth herein, Landlord's audit rights shall apply to the current Lease Year and all prior Lease Years, and Tenant waives the right to assert any statute of limitations in connection with any audit or any underpayment disclosed pursuant to such audit. In the event

that the business operations conducted within or from the Premises are part of a larger business operation, and any part of the Tenant Records herein is prepared only for the larger operation, and not solely for the business operations of the Premises, then Landlord shall also have the right to examine and audit that part of said books, records, financial statements, and documentation of the larger business operation. If Tenant assigns its interest under this Lease, Tenant shall deliver to the Transferee the originals (or complete copies) of the Tenant Records which will be retained by Transferee and available to audit on the same terms as under this Section 5.1.3(d).

(e) *Failure to Maintain Records.* Tenant's failure to keep or cause to be kept Tenant Records and make them available for inspection by Landlord in accordance with the terms hereof beyond the notice and cure periods set forth in Section 12.1.2. Landlord shall have the discretion to require the installation of any additional accounting methods or controls Landlord may deem reasonably necessary, subject to prior written notice, and Tenant shall use commercially reasonable efforts to cause all Subtenants comply with the same (which efforts shall include incorporating such requirements into any Sublease or Sublease amendment entered into after such additional accounting method or controls are installed).

(f) *Underpayment/Overpayment.* If the audit conducted by Landlord under Section 5.1.3(d) reveals an underpayment or an overpayment of the Rent due, Tenant shall pay to Landlord the amount of the underpayment within 30 days following written notice to Tenant, or Landlord will refund the amount of the overpayment within 30 days following the determination of such overpayment (or, at Landlord's option, Landlord will credit the overpayment against the installment of Rent first coming due after such 30 day period). If the audit reveals a discrepancy of 3% or more between the Rent due as reported by Tenant and the Rent due as determined by the audit, and/or Tenant has failed to maintain (or failed to cause to be maintained) complete and accurate Tenant Records as described in Section 5.1.3(d) above, then Tenant shall also pay the reasonable cost of the audit within 30 days after written notice from Landlord.

5.2 Late Charges.

Tenant hereby acknowledges that late payment by Tenant to Landlord of Rent will cause Landlord to incur costs not contemplated by this Lease. Accordingly, in the event Tenant is delinquent in rendering to Landlord an accounting of Rent due or in remitting the Rent due on the date due in accordance with the provisions of this Lease, Tenant shall pay, in addition to the unpaid Rent, 5% of the Rent due. If Rent is still unpaid at the end of 10 days after the date due, Tenant shall pay an additional 5% (collectively, "**Late Charges**"). The parties hereby agree that said Late Charges are Additional Rent and are not interest and that the Late Charges apply whether or not Tenant receives notice of its failure to pay Rent, and that said Late Charges are appropriate to compensate Landlord for loss resulting from rent delinquency including, without limitation, lost opportunities and the cost of servicing the delinquent account. Notwithstanding the foregoing, in no event shall the charge for late submittal of an accounting of Rent due and/or late payment of Rent be less than \$100. Acceptance of such Late Charges and any portion of the late payment by Landlord shall in no event constitute a waiver of Tenant's default with respect to such overdue amount, nor prevent Landlord from exercising any of its other rights and remedies. In addition to the application of a Late Charge, if Tenant fails to pay any Rent when due, the unpaid amount shall accrue interest at the Default Rate from the date due until paid and such interest shall itself be Additional Rent.

5.3 Net Lease.

Tenant acknowledges that the Rent will be absolutely net of any costs or expenses to Landlord relating to Premises or any Improvements and acknowledges and agrees that Landlord shall not

be responsible for any costs, charges, expenses and outlays of any nature whatsoever arising from or relating to the Premises or any Improvements during the Term, whether foreseen or unforeseen and whether or not within the contemplation of the parties at the commencement of the Term, except as shall be otherwise expressly provided in this Lease. Without limitation of the foregoing, Landlord shall not be required to construct, install, provide or arrange for any utilities, roadway, docks, tide walls, drainage or other improvements of any nature on, in, under or above the Premises or any other location.

5.4 Reimbursement.

If under the terms of this Lease an amount expended by Landlord is to be reimbursed by Tenant pursuant to the "**Reimbursement Procedure**" as described in this Section 5.5, then Tenant shall reimburse Landlord for the subject amount within 15 days of Tenant's receipt of an invoice or statement from Landlord for the subject amount and, if applicable, copies of any applicable third party invoices, work description and/or other reasonable evidence of the work performed for or by, and costs incurred by, Landlord. Any amounts owed to Landlord pursuant to this Reimbursement Procedure shall constitute Additional Rent and shall accrue interest at the Default Rate from the date due until paid if not paid within the time period permitted under the Reimbursement Procedure.

6. CONSTRUCTION AND ALTERATION OF IMPROVEMENTS

6.1 Alterations.

6.1.1 Major Alterations.

The term "**Major Alterations**" means all Alterations other than Minor Alterations (as such term is defined in Section 6.1.2 below). Tenant shall comply with all applicable Laws, at its sole cost and expense, including without limitation, obtaining any governmental permits and approvals required for the Major Alterations. Tenant may not make any Major Alterations without the prior written consent of Landlord in each instance, which consent may be granted or withheld in Landlord's sole discretion. Landlord may condition its approval of a Major Alteration on compliance with all Laws and Tenant obtaining insurance coverages in addition to those required under Article 18 if such additional coverage is customarily obtained in connection with work similar in scope to the Major Alteration. All Major Alterations shall be in accordance with plans and specifications, including but not limited to working drawings (collectively, "**Alteration Plans**") submitted to and approved in writing by Landlord prior to the commencement of the Major Alterations. Following approval by Landlord, any changes in the Alteration Plans are subject to Landlord's approval, in Landlord's sole discretion. Provided Landlord approves the Alteration Plans, if Tenant elects to proceed with the Major Alterations, subject to a Force Majeure Event, Tenant must construct and complete all of the Major Alterations set forth in the Alteration Plans in one integrated construction project with all due diligence.

6.1.2 Minor Alterations.

The term "**Minor Alterations**" means Alterations that satisfy all of the following requirements: (a) they are made solely to the interior of the Improvements; (b) no discretionary permit or approval is required from any government agency to perform the Alteration and no CEQA review is needed in connection with the permits that are to be issued in connection with the Alteration; (c) they do not require or involve structural modifications or affect in any material way the building systems within the Improvements or the interior portions of the Improvements

generally accessible to the public such as the lobby area of a hotel; (d) they do not trigger any stormwater construction BMP permit or permanent structural BMP permit or alterations to existing permanent structural BMPs; (e) they are consistent with the Permitted Use; and (f) following the Completion of the Alterations, the Premises and Improvements have a fair market value, quality and utility that is not less than the fair market value, quality and utility of the Premises and Improvements immediately prior to the commencement of the Alterations. Tenant may make Minor Alterations without Landlord's written consent provided that Tenant gives Landlord at least 30 days' prior written notice of the Minor Alterations, which notice describes the Minor Alterations in sufficient detail in order for Landlord to confirm that such Minor Alterations satisfy the requirements of this Section 6.1.2 and within such 30 day period Landlord does not object to Tenant's determination that the subject Alterations are Minor Alterations.

6.1.3 Diligent Construction; Continuous Operations.

Once construction of any Alteration is commenced, Tenant shall, subject to any Force Majeure Event, diligently prosecute construction of the Alterations to Completion. Tenant shall continue to operate the Premises and Improvements for the Permitted Use during the course of construction of the Major Alterations to the extent commercially feasible.

6.1.4 Construction Requirements.

In constructing any Alterations, Tenant shall comply with all Construction Requirements and all Laws, including, without limitation, any PMP requirements, mitigation measures or conditions of approval under the terms of any of the governmental approvals, including any CDP applicable to the Premises or the use or development thereof and any conditions of approval or mitigation measures or project changes pursuant to any environmental review under CEQA.

6.2 Cost Reporting.

With respect to any Major Alterations, within 60 days following Completion of the Major Alterations, as applicable, Tenant shall furnish Landlord with an itemized statement of the Construction Costs incurred and paid by Tenant. The statement shall be sworn to and signed, under penalty of perjury, by Tenant or its authorized representative. Tenant shall maintain true, accurate, and complete records to support said itemized statement. Such records shall include, but are not limited to a general ledger, vendor invoices, cancelled checks, construction loan documentation, agreements with third-party contractors, and contractor progress payment billings. Additionally, should Tenant perform any construction with its own personnel, Tenant shall substantiate the actual work performed by maintaining the following records: a payroll journal, copies of cancelled payroll checks, and timecards or other payroll documents which show dates worked, hours worked, and pay rates. Books and records herein required shall be maintained and made available either at the Premises or at such other location in San Diego County, California as is agreeable to Landlord. Further, Landlord shall have the right at any and all reasonable times to examine and audit said books and records without restriction for the purpose of determining the accuracy thereof, and the accuracy of the aforesaid statement. In the event Tenant does not make available the original books and records at the Premises or within the limits of San Diego County, Tenant agrees to pay all expenses incurred by Landlord Parties in conducting an audit at the location where said books and records are maintained in accordance with Section 5.1.3(c).

6.3 Force Majeure Event.

"Force Majeure Event" means actual delay in Tenant's construction or interference with Tenant's ability to operate actually caused by: (a) a strike or labor dispute other than a strike or dispute which would have been avoided had Tenant complied with applicable Laws and any agreements it has entered into with the striking union or parties; (b) inclement weather (that causes a suspension of work) in excess of the 10 year average for the area within Landlord's jurisdiction during the month or months when work was suspended; (c) an earthquake or other natural disaster resulting in suspension of work; (d) inability to procure or general shortage of labor, equipment, materials, or supplies in the open market, or failure of transportation (but, in each case, not attributable to a mere increase in price or Tenant's acts or failure to act); (e) acts of a public enemy, insurrections, riots, mob violence, mass shootings, sabotage, acts of foreign or domestic terrorism, and malicious mischief; (f) casualty causing material damage to previously constructed Improvements; (g) closures ordered by any Governmental Authority that do not arise from a breach of this Lease or other misconduct by Tenant; or (h) delays in the issuance of any governmental approvals or authorizations from government agencies other than Landlord necessary to proceed with any Major Alterations or any maintenance and repair obligations required under this Lease and the completion of which is necessary to Tenant's ability to operate the Premises (provided that Tenant has timely and properly filed all applications, submitted all required documents and fees and taken all other actions reasonably necessary to obtain such governmental approvals or authorizations and that Tenant is not responsible in any way for the delay in the issuance of such government approvals or authorizations). In order to extend the time for commencement or Completion of Major Alterations for Force Majeure Event or claim an excuse of failure to operate, Tenant must notify Landlord in writing within 20 days of the commencement of any Force Majeure Event and describe in such notice the Force Majeure Event creating delay or interference, why such delay or interference is occurring, the expected duration of such delay or interference and the best efforts Tenant is taking to minimize the period of delay or interference. Any period of applicable Force Majeure Event shall be added to the times for the commencement and Completion of construction established in Section 6.2 above. Tenant covenants to make best efforts to minimize and otherwise overcome the impact on Tenant's construction schedule or operation caused by any Force Majeure Event and, in addition to Tenant's initial notice described above, on Landlord's request from time to time, shall provide Landlord with a report on the status of the Force Majeure Event, its expected duration, Tenant's construction schedule and Tenant's best efforts to minimize and otherwise overcome the impact on Tenant's construction schedule or operation caused by any Force Majeure Event.

6.4 Signs and Flags.

All signs visible from outside the Improvements must be expressly approved by Landlord prior to installation. All signage in the Landlord's jurisdiction is subject to San Diego Unified Port District Code Section No. 8.30, BPC Policy No. 770 and Tenant Signage Guidelines. If Landlord hereafter adopts any other ordinance or policy governing signage, Tenant shall also comply with such ordinance or policy subject to any grandfathering terms thereof. Tenant agrees that no banners, balloons, inflatables, pennants, flags, signs, digital displays, spinners, or other advertising devices, nor any temporary signs, shall be flown, installed, placed, or erected on the Premises in a manner or location clearly visible from outside the Premises without Landlord's prior written consent. Landlord acknowledges and agrees that all signs visible from outside the Improvements as of the Effective Date are compliant with the terms of this Lease.

6.5 Tenant Percent for Art.

Tenant acknowledges and agrees that any requests for proposed Major Alterations during the Term may be conditioned on the payment of additional commissions or purchases of artwork

and/or in-lieu contributions in accordance with Board Policy No. 608.

6.6 Prevailing Wage.

6.6.1 The Parties acknowledge and agrees that:

(a) Except as set forth in Section 6.6.1(f) and Section 6.6.1(g) below, any construction, alteration, demolition, installation or repair work required or performed under this Lease constitutes a "public work" under California Prevailing Wage Law, including Labor Code §§ 1720 through 1815, et seq. ("**PWL**"), and obligates Tenant to cause such work to be performed as "public work," including, but not limited to, the payment of applicable prevailing wages to all persons or entities subject to the PWL.

(b) Tenant shall cause all persons and/or entities performing "public work" under the Lease to comply with all applicable provisions of the PWL and other applicable wage laws.

(c) Landlord hereby notifies Tenant and Tenant hereby acknowledges that the PWL includes, without limitation, Labor Code § 1771.1(b) that provides that the requirements described in Labor Code § 1771.1(a), copied below, shall be included in all bid invitations and public work contracts: "(a) A contractor or subcontractor shall not be qualified to bid on or be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to § 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 of 20103.5 of the Public Contract Code, provided the contractor is registered to perform "public work" pursuant to Section 1725.5 at the time the contract is awarded."

(d) Tenant acknowledges that its obligations under the PWL include, without limitation, ensuring:

(i) Pursuant to Labor Code § 1771.1(b), a bid shall not be accepted, nor any contract or subcontract entered into without proof of the contractor or subcontractor's current registration to perform "public work" pursuant to § 1725.5.

(ii) Pursuant to Labor Code § 1771.4(a)(1) the call for bids and contract documents shall specify that the project is subject to compliance monitoring and enforcement by the California Department of Industrial Relations (DIR).

(iii) Pursuant to Labor Code § 1771.4(a)(2) that it post or require the prime contractor to post job site notices, as prescribed by regulation.

(iv) Pursuant to Labor Code § 1773.3(a)(1) that it provide notice to the Department of Industrial Relations of any public works contract subject to the requirements of the PWL, within 30 days of the award. Pursuant to Labor Code § 1773.3(a)(3) the notice shall be transmitted electronically in a format specified by the DIR and shall include the name and registration number of the contractor, the name and registration number of any subcontractor listed on the successful bid, the bid and contract award dates, the contract amount, the estimated start and completion dates, jobsite location, and any additional information the department specifies that aids in the administration and enforcement of this chapter. PWC-100 is the name of the form currently used by the DIR for providing the notice, but Tenant shall determine and use whatever form the DIR requires.

(e) Landlord is not responsible for Tenant's failure to comply with any

applicable provisions of the PWL.

(f) However, Tenant shall not be deemed in default for any violation of PWL unless and until a final, non-appealable or non-reviewable, as applicable, judicial or administrative decision or order finds or concludes a violation of PWL occurred. Consistent with Article 19, Tenant shall indemnify, defend, and hold harmless Landlord Parties from any and all claims (including claims under negligence and strict liability), demands, liability, losses, causes of actions, and suits of any kind, administrative or judicial proceedings, orders, judgments, and all Related Costs arising directly or indirectly out of an alleged violation or violation of PWL, except with respect to claims or litigation arising through the sole gross negligence or sole willful misconduct of Landlord.

(g) Notwithstanding anything to the contrary in this Lease, if Tenant secures a Post Completion Final Ruling (defined below), Section 6.6.1(a) hereof shall not apply to the Post Completion Work (defined below) within the scope of the Post Completion Final Ruling.

(i) For purposes of this Lease, the term "Post Completion Work" means any construction, alteration, demolition, installation or repair work performed under this Lease that occurs after Completion of the Project (as "Project" is defined in the Original Lease) ("**Post Completion Work**").

(ii) For purposes of this Lease, the term "Post Completion Final Ruling" means a final, non-appealable or non-reviewable ruling specific to this Lease, the Project (as "Project" is defined in the Original Lease) and the contemplated Post Completion Work that unequivocally determines that the Post Completion Work is not a "public work" or otherwise subject to the PWL. That Post Completion Final Ruling may be in the form of a final, non-appealable public works coverage determination by the Department of Industrial Relations ("**DIR**"), a final, non-appealable DIR Decision on an Administrative Appeal, or a final, non-appealable decision of a court of law that resolves a challenge to the determination of the DIR, as applicable.

(iii) For the avoidance of doubt, with respect to any Post Completion Work, Section 6.6.1(a) hereof shall continue to apply absent a Post Completion Final Ruling and to any Post Completion Work not within the scope of any Post Completion Final Ruling.

6.7 Historical Designation.

Neither Tenant nor Landlord shall designate, cause anyone to designate, submit or support any application to designate, the Premises or any Improvements as a federal, state or local historical landmark or as a historical resource. The terms of this Section 6.7 shall survive the expiration or earlier termination of this Lease.

7. TITLE TO AND REMOVAL OF ALTERATIONS AND IMPROVEMENTS

7.1 Title.

All Improvements which may be installed or placed in, on, over or under the Premises, from time to time by Tenant as permitted by the terms of this Lease or with Landlord's prior written consent, (a) shall be so installed or constructed at the sole cost of Tenant, (b) shall remain Tenant's property during the Term, and (c) at the expiration or earlier termination of the Term, those Improvements which remain shall automatically become the property of Landlord without additional compensation from Landlord; provided that, subject to Section 7.2 below, Tenant's trade fixtures (fixtures relating uniquely to Tenant and which are removable without non-repairable

damage to the other Improvements), furnishings and moveable equipment shall remain the property of Tenant and shall be removed by Tenant as provided in Section 7.2. Upon Landlord's request, following the Expiration Date or earlier termination of this Lease, Tenant covenants and agrees to execute and deliver (at no cost or expense to Landlord) a quitclaim deed as provided in Article 23 to confirm Landlord's ownership of the Improvements, which covenant shall survive the expiration or earlier termination of this Lease. Notwithstanding the foregoing, if title to artwork in fulfillment of the tenant percent for art requirement created in compliance with Section 6.5 is governed by a separate agreement between Tenant and the artist, such agreement shall govern over this Lease relative to the title to the artwork following the expiration or termination of this Lease.

7.2 Removal of Personal Property.

Except as provided below, all of Tenant's personal property including machines, appliances and equipment and trade fixtures (even though not personal property), shall be removed from the Premises by Tenant by the Expiration Date or earlier termination of this Lease. Notwithstanding the foregoing, unless Landlord expressly elects in writing to Tenant at least 90 days prior to the Expiration Date or, in the case of sooner termination of this Lease, within 10 days after the termination, to require Tenant to remove any artworks that constitute personal property that were provided to comply with Law or Landlord's own requirements but which are not governed by a separate agreement between Tenant and the artist relating to the removal of the artwork as the end of the Term, shall not be removed and remain located on the Premises. If requested by Landlord, Tenant shall deliver to Landlord Tenant's signed bill of sale in a form reasonably acceptable to Landlord for such left in place personal property. Tenant shall repair any damage to the Premises (and the Improvements which Landlord is not requiring Tenant to remove) caused by the removal of such personal property. Without limitation of the foregoing, Tenant hereby appoints Landlord as Tenant's attorney in fact to execute such bill of sale in the name and on behalf of Tenant if Tenant shall fail to do so after Landlord's request and within 45 days of the Expiration Date. If such personal property required to be removed is not removed by Tenant in accordance with this Section 7.2, the same may be considered abandoned and, at the option of Landlord, shall thereupon become the property of Landlord, without cost to Landlord and without any payment to Tenant, except that Landlord shall have the right to have such personal property removed and to repair any and all damage occasioned by their removal, all at the reasonable expense of Tenant pursuant to the Reimbursement Procedure.

7.3 Security for Preservation and Remediation Work.

7.3.1 Preservation and Remediation Report.

No later than six years before the end of Term, Tenant, at its own cost and expense, shall obtain and deliver to Landlord a report prepared by a contractor licensed in the State of California with expertise in the maintenance, repair, and preservation of historical structures in California as well as remediation, which report details and estimates the current cost and time period for completion of (a) any outstanding required maintenance, repairs, and/or replacements needed in order for the Premises and Improvements to be in the condition required by this Lease under Section 15 and upon the Expiration Date pursuant to Article 24 (collectively, "**Preservation Work**") and (b) any remedial work that may be required by Section 21.3 ("**Preservation and Remediation Report**"). The contractor licensed in the State of California with expertise such matters selected by Tenant is referred to herein as the "**Preservation and Remediation Contractor**" and the time period for completion of the Preservation Work and any remedial work that may be required by Section 21.3 is referred to herein as the "**Repair Period**".

7.3.2 Preservation Work and Remediation Security Funding.

For the purpose of funding the cost of the Preservation Work and any remediation work that may be required under Section 21.3, then commencing in the month following the receipt of the Preservation and Remediation Report and continuing on the same day Rent for each month thereafter is due until such day of the last calendar month prior to the end of the Term (the "**Preservation and Remediation Security Funding Period**"), Tenant shall deposit with Landlord, or at Landlord's election, into an escrow account (with an escrow holder, and pursuant to escrow instructions, acceptable to Landlord in its sole discretion) a level sinking fund monthly dollar amount which will fully fund the Preservation and Remediation Security Amount by the end of the Preservation and Remediation Security Funding Period. The "**Preservation and Remediation Security Amount**" shall be the Estimated Preservation and Remediation Cost annually compounded at 3% over the Preservation and Remediation Security Funding Period. The "**Estimated Preservation and Remediation Cost**" shall be the total of (i) the Preservation Work and remediation cost amount estimated by the Preservation and Remediation Report, and (ii) the product of (x) the number of months in the Repair Period and (y) the estimated monthly Rent at the time the first monthly deposit is to be made. The determination of the monthly deposit amount shall be calculated by dividing the Estimated Preservation and Remediation Amount by the number of months in the Preservation and Remediation Security Funding Period. If the Preservation and Remediation Security Amount is held in escrow, any interest earned on the Preservation and Remediation Security Amount shall be added to the escrow fund, but shall not be treated as a credit against the Preservation and Remediation Security Amount deposits required to be made by Tenant pursuant to this Section 7.3.2. If Landlord holds the Preservation and Remediation Security Amount, Landlord shall not be required to keep the Preservation and Remediation Security Amount in trust, segregate it or keep it separate from Landlord's general funds, and Tenant shall not be entitled to payment of interest on the Preservation and Remediation Security Amount but such interest, if any, shall be applied toward the Preservation and Remediation Security Amount. In lieu of deposit of cash funds as required above, Tenant may propose a letter of credit, bond or other form of security in form and amount, and from an issuer, satisfactory to Landlord in Landlord's sole discretion. In no event shall Tenant's obligations to complete Preservation Work or remediation work under Section 21.3 or to pay Rent during the Repair Period be limited to the amount of the Preservation and Remediation Security Amount.

(a) *Update.* At least 12 months prior to the expiration of the Term, Tenant shall deliver to Landlord a report prepared by a Preservation and Remediation Contractor, which report updates any prior Preservation and Remediation Report for the purpose of providing a current estimate of the projected cost at the end of the Term of the required Work and remediation work ("**Preservation and Remediation Report Update**"). If the current balance of the Preservation and Remediation Security Amount is less than the cost projected in the Preservation and Remediation Report Update, then, within 30 days after delivering the Preservation and Remediation Report Update to Landlord, Tenant shall deposit in the escrow account or with Landlord, as applicable, additional funds so that the total Preservation and Remediation Security Amount is no less than the estimated cost of the Preservation Work and remediation work as set forth in the Preservation and Remediation Report Update. If the current balance of the Preservation and Remediation Security Amount is more than the cost projected in the Preservation and Remediation Report Update, then, within 60 days after Landlord's receipt of the Preservation and Remediation Report Update, Landlord shall refund Tenant, as applicable, funds so that the total Preservation and Remediation Security Amount is no more than the estimated cost of the Preservation Work and remediation work as set forth in the Preservation and Remediation Report Update.

(b) *Disbursement To Tenant.* Landlord will release (or authorize the escrow

holder to release, as applicable) the Preservation and Remediation Security Amount to fund the cost of the Preservation Work and remediation work pursuant to customary construction draw procedures, including a 10% retainage which will be paid upon completion of such work as evidenced by a certificate of completion from the Preservation and Remediation Contractor and a copy of final lien releases in statutory form from the Preservation and Remediation Contractor and all of its subcontractors. However, Tenant shall remain responsible for the actual costs of the Preservation Work and remediation work in excess of the Preservation and Remediation Security Amount. Following completion of the Preservation Work and any required remediation work, Landlord will release to Tenant (or authorize the escrow holder to release, as applicable) the unused portion of the Preservation and Remediation Security Amount.

(c) *Disbursement to Landlord.* If Tenant fails to perform the Preservation Work and remediation work as and when required, if Landlord elects to enforce Tenant's obligation, then in addition to all other remedies Landlord may have as a result of such failure, without limitation of Tenant's cost responsibility for the same, Landlord shall have the right to apply the Preservation and Remediation Security Amount to pay for the cost of performing the Preservation Work and remediation work on Tenant's behalf or, if Landlord determines not to perform the Preservation Work and remediation work and not to enforce Tenant's obligation, and Tenant's failure has continued following the notice and cure period set forth in Section 12.1.3, then Landlord may retain the Preservation and Remediation Security Amount as liquidated damages for Tenant's failure to perform the Preservation Work and remediation work.

(d) *Landlord Security Interest.* Tenant grants to Landlord a security interest in the Preservation and Remediation Security Amount, and Tenant shall execute such documents as Landlord may request in order to perfect such security interest.

(e) *Preservation and Remediation Security Funding Tolling.* Landlord shall have the right, at its sole discretion, to toll the Preservation and Remediation Security funding within the last five years of the Term in order to consider a plan of redevelopment submitted by Tenant, upon delivery of a written notice to Tenant.

7.4 End of Term Extension.

Subject to the terms of this Section 7.4, and solely for the purpose of completing Preservation Work and any remediation required by this Lease, the Term shall be extended until the earlier of (a) six months, and (b) the completion of such work as evidenced by a certificate of completion from the Preservation and Remediation Contractor and copy of final lien releases in statutory form from the Preservation and Remediation Contractor and all of its subcontractors. The period of such extension is referred to herein as the "**End of Term Extension**". During the End of Term Extension, Tenant shall continue to pay the full Rent to Landlord in accordance with this Lease. If Tenant's Preservation Work and remediation work is not completed within the End of Term Extension, the terms of Article 26 regarding Rent payable during holdover shall apply. Without relieving Tenant from its obligations under this Lease respecting the condition of the Premises at the end of the Term, all of Tenant's obligations under this Lease (including Tenant's indemnification and insurance obligations but excluding any obligation to be open or operate) and Tenant's right to enter onto the Premises and perform the Preservation Work and remediation work shall continue in full force and effect during the End of Term Extension.

7.5 Survival.

The terms of this Article 7 shall survive the expiration or termination of this Lease.

8. ENTITLEMENTS

8.1 Entitlement Costs.

If any discretionary approval, including, without limitation, environmental analysis under CEQA or the PMP, a PMPA, a CDP and/or a Coastal Act exclusion, are necessary in Landlord's sole and absolute determination in connection with any Alterations, demolition or remediation work or other projects undertaken by Tenant on or at the Premises (collectively, a "**Discretionary Project**"), Tenant agrees to enter into agreements with the third party consultants preparing the reports and other materials required to process the Discretionary Project making Tenant directly responsible for the costs of such services and to reimburse Landlord pursuant to the Reimbursement Procedure for all costs and expenses incurred by Landlord in obtaining the necessary approval for the Discretionary Project, including but not limited to, the preparation and certification of any required CEQA document by the Landlord, the preparation and approval of the PMPA by the Landlord and the CCC, the preparation and approval or issuance of a CDP by the Landlord or, if appealed, the CCC, or the Coastal Act exclusion by the Landlord and any other costs and expenses arising out of the entitlement process in Landlord's sole and absolute discretion. If Tenant fails to reimburse Landlord for such costs pursuant to the Reimbursement Procedure, in addition to any other remedies Landlord may have, Landlord may thereafter discontinue the processing of the Discretionary Project and Tenant shall be responsible for any costs and expenses incurred by Landlord related to such discontinuance as Additional Rent and such failure shall be a default of Tenant. Nothing herein shall obligate Landlord to seek, process or obtain any approvals or entitlements for the benefit of Tenant and Landlord makes no warranty or representation to Tenant that Tenant will obtain the entitlements and approvals required for Tenant's Discretionary Project.

8.2 Entitlements Indemnity.

Without limitation of Tenant's other obligations under this Lease, Tenant agrees at its sole cost and expense and with counsel reasonably acceptable to Landlord to indemnify, defend and hold harmless the Landlord Parties from any claims, demands, actions, causes of action, suits and Related Costs, arising out of Landlord's approval(s) of the Discretionary Project including without limitation any third party challenges to the approval of the Discretionary Project and any CEQA review, CCC review for a PMPA or appealable CDP or Coastal Act exclusion. The Landlord may, in its sole and absolute discretion, participate in the defense of any claims, demands, actions and causes of action, suits and Tenant shall reimburse the Landlord for all reasonable costs of defense actually incurred by the Landlord, including, without limitation reimbursement for reasonable attorneys' fees, experts' fees and other costs. The Landlord's participation shall not relieve Tenant of any of its obligations under this Paragraph. The foregoing indemnity obligations of Tenant are in addition to, and not in limitation of, any other indemnity obligations of Tenant contained in this Lease.

8.3 Reservation of Discretion.

Tenant acknowledges and agrees that, notwithstanding the terms and conditions of this Lease, Landlord reserves its discretion to approve or disapprove all actions, which require by Law the exercise of discretion, including without limitation all legislative and quasi-judicial actions and which Landlord cannot lawfully be committed to by contract (collectively, "**Discretionary Action**") and that nothing in this Lease will be construed as circumventing or limiting Landlord's discretion with respect to environmental review required by CEQA, approval of a PMPA, CDP, CDP exclusion, or other permits and entitlements, the exercise of eminent domain, code enforcement

and the making of findings and determinations required by Law. Tenant acknowledges and agrees that any and all Discretionary Actions may be approved or denied by the Landlord, in its sole and absolute determination, and accepts the risk that the Landlord will deny any and all Discretionary Actions, and hereby waives any claims, demands, actions, causes of action, suits against the Landlord for said denial.

9. LIENS

9.1 No Right to Bind Landlord.

Neither Tenant, nor any Tenant Party, shall have any power or authority to do any act or thing, or to make any contract or agreement which will bind Landlord in any way whatsoever, and Landlord shall have no responsibility to Tenant, Tenant Party or other Person who performs, causes to perform, engages in or participates in any construction of any Improvements, Alterations or any other work on the Premises at the request of Tenant or Tenant Party or other Persons. Landlord shall not be required to take action to satisfy any such contract or agreement or to remove or satisfy any lien resulting therefrom.

9.2 Notice of Non-Responsibility.

Tenant shall give written notice to all contractors, subcontractors and materialmen of Landlord's non-responsibility in connection with any Improvements or Alterations or other work on the Premises and shall immediately provide Landlord with true copies of such notices not less than 15 days prior to the commencement of any work on the Premises. Landlord Parties shall have the right to post and keep posted thereon a notice of non-responsibility or such other notices that Landlord may deem to be proper for the protection of Landlord's interest in the Premises. Tenant shall provide Landlord with any information reasonably required by Landlord to complete the notice of non-responsibility.

Tenant shall timely pay or cause to be paid all costs for work, labor, services or materials supplied to or performed on the Premises. Tenant will keep the Premises free and clear of all mechanic's liens and other liens on account of work done for or at the Premises. Tenant shall indemnify, defend, release and save Landlord free and harmless from and against any and all claims of lien of laborers or materialmen or others for work performed or materials or supplies furnished for or at the Premises and all Related Costs.

9.4 Contest of Lien.

If Tenant in good faith wishes to contest any claim of lien, Tenant shall be entitled to do so, provided that Tenant first records a surety bond sufficient to release the lien.

9.5 Landlord's Right to Pay.

If Tenant shall be in default in paying any charge for which a lien claim has been filed and fails to discharge any such lien within thirty (30) days or otherwise shall not have recorded a surety bond as required under Section 9.4 above, Landlord may, but shall not be so obliged to, pay said lien claim and any costs, and the amount so paid, together with reasonable attorneys' fees incurred in connection therewith, shall be immediately due and owing from Tenant to Landlord, and Tenant shall pay the same to Landlord together with interest on the full amount thereof at the Default

Rate from the dates of Landlord's payments until paid.

9.6 Notice of Liens.

Should any claims of lien be filed against the Premises or any action affecting the title to the Premises be commenced, the party receiving notice of such lien or action shall give the other party written notice thereof within five business days of receipt.

9.7 Right of Entry/ Notices of Non-Responsibility.

Nothing herein shall imply any consent on the part of Landlord to subject Landlord's estate to liability under any mechanic's or other lien. Without limiting Tenant's responsibilities under Section 9.2 above, Landlord and the Landlord Parties shall have the right to enter upon and inspect the Premises at all times while any Alterations are being performed, during normal business hours and upon 24' hours prior notice to Tenant (except in the case of an emergency in which case no prior notice shall be required but each of such Landlord Parties shall notify the onsite manager of the Premises thereof by phone prior to entering the Premises) and Landlord shall, and shall cause each of such Landlord Parties to: (a) comply with all applicable and reasonable security and safety procedures of Tenant of which Tenant informs Landlord in writing and with which such Landlord Party can reasonably comply, and (b) use commercially reasonable efforts to minimize any interference with Tenant's operation and use of the Premises while on the Premises and at the Improvements. Notwithstanding the foregoing, nothing herein shall limit the Landlord's right to enter the Premises and Improvements at any time to exercise its police powers. Landlord and the Landlord Parties shall have the right to post and keep posted thereon notices of non-responsibility, or such other similar notices which Landlord may deem to be proper for the protection of Landlord's interest in the Premises. Tenant shall, before the commencement of any work which is reasonably likely to result in any such lien, give Landlord written notice of its intention to commence such work in sufficient time (which in no event shall be less than the statutory period for posting notices of non-responsibility prior to the commencement of work) to give Landlord adequate opportunity to post and record such notices.

10. LEASE ENCUMBRANCE

Within 10 days of receiving Tenant's request, Landlord may request from Tenant additional information regarding the lender and/or the proposed financing. Landlord shall provide its response to Tenant's request for approval of the Financing Transaction within 45 days following Landlord's receipt of Tenant's request and all information requested by Landlord from Tenant. As a condition of approval, Tenant shall provide to Landlord a copy of the final loan documents for the Financing Transaction which conform to the terms set forth in the loan application or commitment delivered pursuant to Section 10.1.2(e)

below, when such documents are available. Tenant shall reimburse Landlord pursuant to the Reimbursement Procedure for all of Landlord's costs and expenses associated with its review of the Financing Transaction. Said costs shall include, without limitation, Landlord's reasonable legal fees (whether with in-house or outside counsel or both) and disbursements relating to or arising out of Landlord's review of any such Financing Transaction, regardless of whether such Financing Transaction is consummated or approved, and Landlord's transaction processing fees charged by Landlord for Landlord's analysis and processing of Tenant's request.

10.1.2 Conditions.

Landlord's consent to any Financing Transaction may be conditioned upon, among other things, the following conditions and/or requirements, all of which Tenant acknowledges are reasonable given the context and terms and conditions of this Lease:

- (a) the lender shall be a Financial Institution;
- (b) the maximum loan proceeds secured by the encumbrance shall not be in excess of the greater of 75% of the then fair market value of the Improvements (or the as-completed value if the subject loan is being used to finance the cost of an Alteration) as determined by a third party appraisal reasonably approved by Landlord (which may be the Permitted Lender's appraisal if so reasonably approved by Landlord) or (ii) the amount required to repay the outstanding principal balance of the existing financing that encumbers the leasehold under a Permitted Encumbrance previously consented to by Landlord;
- (c) the loan secured by the encumbrance shall have a payment term that provides for the full repayment of the loan prior to the Expiration Date of the then current Term; and
- (d) Tenant shall have provided to Landlord pursuant to Section 10.1.1: (i) the Financing Transaction term sheet, application or commitment; (ii) a recent appraisal supporting the Financing Transaction; (iii) financial statements of Tenant for not less than the past two years; (iv) the draft and final loan documents; and (v) such other documents, information and materials relating to the Financing Transaction as Landlord may reasonably request.

10.2 Definition of "Permitted Lender" and "Permitted Encumbrance".

The term "**Permitted Lender**" as hereinafter used in this Lease means the lender under the Financing Transaction holding a mortgage, deed of trust or other similar security interest constituting a first lien on Tenant's interest in this Lease which has been consented to in writing by Landlord as provided above ("**Permitted Encumbrance**").

10.3 Rights of Permitted Lender.

10.3.1 Voluntary Lease Surrender.

If Tenant owes the Permitted Lender any amounts under the Permitted Encumbrance, Landlord will not accept the voluntary surrender, cancellation, or termination of this Lease by Tenant before the Term expires unless the Permitted Lender provides prior written consent. Nothing in this Section 10.3.1 shall impair Landlord's right to terminate this Lease as a result of Tenant's default or by reason of Landlord's other rights to terminate as set forth in this Lease, subject to the Permitted Lender's notice and cure rights pursuant to Section 10.3.2 below, if applicable.

10.3.2 Right to Cure/New Lease.

(a) *Notice of Default.* So long as the loan secured by the Permitted Encumbrance remains unsatisfied, Landlord hereby agrees to give the Permitted Lender a copy of any written notice of any default which Landlord has given to Tenant, whereupon the Permitted Lender shall have the right, but not the obligation, to prevent any termination of this Lease by Landlord as a result of such default by curing such default within (i) 20 days of receipt of such notice for any default in the payment of Rent, or (ii) subject to the terms of this Section 10.3.2, within 60 days of receipt of such notice for any other default under this Lease.

(b) *Possession Required.* If such default as specified in part (ii) of Section 10.3.2(a) cannot be cured until the Permitted Lender has obtained possession of the Premises through foreclosure or otherwise, and if the Permitted Lender has delivered to Landlord within the 60 day cure period specified above Permitted Lender's written commitment (in form acceptable to Landlord in its sole discretion) to use commercially reasonable efforts to cure such default with due diligence upon obtaining possession of the Premises through foreclosure or otherwise, then the Permitted Lender shall have such additional time (but in no event to exceed 180 days from the date of obtaining possession of the Premises) as is reasonably necessary to cure such default; provided, however, that the Permitted Lender: (i) unless judicially stayed, commences the judicial or other foreclosure of the Permitted Encumbrance within 60 days from receipt of written notice of the occurrence of any event which constitutes, or which would constitute, upon the expiration of an applicable cure period, a default under this Lease; (ii) prosecutes said foreclosure with due diligence; and (iii) cures, during said period, all monetary events of default and, during the period of said stay and/or foreclosure, continues to pay and perform during said period of stay and/or foreclosure all other monetary obligations of Tenant in a timely manner, including, without limitation, payment of all Rent, taxes, assessments, utility charges, insurance premiums and all other amounts required to be paid by Tenant under this Lease. Notwithstanding anything herein to the contrary, nothing herein shall require a Permitted Lender who has taken possession of the Premises to cure any non-monetary default that, by its nature, is not capable of being cured by the Permitted Lender, such as a Bankruptcy Event (an "**Incurable Default**"), and such Incurable Default shall be deemed to be waived following the Permitted Lender's taking possession of the Premises and provided that Permitted Lender has timely cured all monetary defaults and, following taking possession all other non-monetary defaults that are of a continuing nature. In no event shall Tenant's waste or failure to maintain be an Incurable Default.

(c) *No Termination by Landlord.* Landlord will not terminate this Lease by reason of a default by Tenant provided that the Permitted Lender (i) has cured and continues to cure all defaults under the Lease in the payment of Rent in a timely manner as provided in Section 10.3.2(a)(i) above, and (ii) has cured all other defaults in a timely manner as provided in Sections 10.3.2(a)(ii) and 10.3.2(b) above, other than any Incurable Default.

(d) *New Lease.* In the event of a termination of this Lease by reason of a surrender, cancellation, or termination by Tenant (subject to and in accordance with Section 10.3.1), or as a result of the rejection or disaffirmance of this Lease pursuant to bankruptcy law or other Law affecting creditors rights, or as a result of a termination of this Lease by Landlord in violation of Section 10.3.2(c) above, then Landlord shall deliver notice to Permitted Lender that the Lease has been terminated. The notice shall include a statement of all amounts that would be due under this Lease but for the termination, and all other defaults then known to Landlord. The Permitted Lender shall then have the option, to be exercised within 30 days following receipt of such notice of termination to enter into a new lease ("**New Lease**") with Landlord, on the following terms and conditions:

(i) The New Lease shall commence as of the date of the termination of this Lease and shall be for the remainder of the Term, and at the Rent, terms, covenants and conditions as this Lease (but excluding any right to extend the Term).

(ii) Upon execution of the New Lease, the Permitted Lender as tenant shall pay any and all sums that would at the time of execution thereof be due under this Lease, but for termination, and shall pay all expenses, costs, attorneys' fees, court costs, and disbursements incurred by Landlord in connection with any default and termination, recovery of possession of the Premises, and the execution, preparation and delivery of the New Lease.

(iii) Upon execution of the New Lease, the Permitted Lender as tenant shall cure all other defaults under this Lease, which have not yet been cured (other than any Incurable Default), with due diligence in a timely manner in accordance with the cure periods under the Lease assuming such cure periods commence with the execution of the New Lease and without additional notice.

(iv) Nothing herein shall be construed to require Landlord to deliver possession of the Premises to Permitted Lender. Upon execution and delivery of the New Lease, Permitted Lender may take any and all appropriate action as may be necessary to remove parties in possession from the Premises.

Should the Permitted Lender fail to accept said offer for such New Lease in writing within said 30 day period, or, having so accepted said offer, should it fail promptly to execute the New Lease or satisfy the requirements of (ii) and (iii) above in a timely manner, then the termination of this Lease shall be effective as to the Permitted Lender and the Permitted Lender shall have no further rights hereunder.

10.3.3 Loan Default.

If a Permitted Encumbrance is in default at any time past any applicable notice and cure period, and the Permitted Lender is complying with the cure requirements described in Section 10.3.2 above, the Permitted Lender shall, as provided by applicable Law, have the right, without Landlord's prior consent, to:

- (a) Accept an Assignment of this Lease in lieu of foreclosure; or
- (b) Cause a foreclosure sale to be held pursuant to either judicial proceedings or power of sale as provided in its Permitted Encumbrance. Provided, however, no Assignment to the successful bidder (a "**Foreclosure Purchaser**") other than the Permitted Lender or a designee of the Permitted Lender who is Controlled by or is under common Control with the Permitted Lender shall be effective without Landlord's prior written consent in accordance with Section 10.4 below.

10.3.4 Assume Lease Obligations.

Before the Permitted Lender, or any Foreclosure Purchaser, acquires the leasehold interest, it shall, as an express condition precedent, agree in writing to be bound by all provisions of, and assume each and every obligation of Tenant, under this Lease. A Permitted Lender that has: (a) acquired the leasehold interest and assumed Tenant's obligations; or (b) entered into a New Lease pursuant to Section 10.3.2(d) above, shall be released from all obligations under this Lease first arising after it assigns the leasehold interest to an assignee consented to by Landlord, in accordance with Section 10.4.

10.4 Landlord's Consent to Assignment or Transfer.

10.4.1 Landlord's Consent to Assignment.

Landlord's prior written consent pursuant to Article 11 shall be required for the following: (a) an Assignment of this Lease to a Foreclosure Purchaser other than the Permitted Lender or a designee of the Permitted Lender who is Controlled by or is under common Control with the Permitted Lender, or (b) an Assignment of this Lease or Sublease of all or substantially all of the Premises by the Permitted Lender or a designee of the Permitted Lender who is Controlled by or is under common Control with the Permitted Lender should the Permitted Lender or such designee become the tenant by reason of: (i) being the successful bidder upon said foreclosure; or (ii) an Assignment in lieu of foreclosure; or (iii) a New Lease entered into pursuant to Section 10.3.2(d) above.

No validly approved assignee, Foreclosure Purchaser, or Subtenant shall subsequently: (x) assign this Lease, or sublease any or all of the Premises without Landlord's prior written consent, in accordance with Article 11 herein; or (y) encumber this Lease, leasehold interest, or Improvements thereon without Landlord's prior written consent, in accordance with this Article 10.

10.4.2 Notice of Foreclosure Sale.

Permitted Lender shall include a statement in any notice of foreclosure sale covering the requirements under Section 10.4.1 for Landlord's consent to an Assignment upon said foreclosure.

10.4.3 Assignment of Security Interest.

Neither Permitted Lender nor assignees or any subsequent holder of Permitted Lender's security interest in the Premises shall assign or transfer its security interest in the Premises in whole or in part without Landlord's prior written consent, in each instance. Such consent shall not be unreasonably withheld. Although such holder shall be required to obtain Landlord's express written consent, Landlord shall not withhold such consent (and such assignee or holder will for all purposes of this Lease be deemed to be a Permitted Lender) if the Assignment is to one of the following entities and a copy of the Assignment, in a form acceptable to Landlord, is furnished to Landlord:

(a) A Financial Institution in good legal standing under the laws of its jurisdiction of incorporation having a tangible net worth exceeding One Billion Dollars (\$1,000,000,000) (which sum shall be adjusted to Constant Dollars on each anniversary of the Effective Date); or

(b) The United States of America or any state thereof, or any agency thereof;
or

(c) An assignee by operation of law; *e.g.*, a state insurance department engaged in supervising the liquidation or rehabilitation of an insurance company lender.

10.5 Landlord's Participation in Refinance Proceeds.

Upon each Financing Transaction, Tenant shall pay to Landlord a fee (the "**Financing Participation Fee**") in an amount equal to the following: (a) .50% of the total loan amount, if the loan amount is greater than \$40,000,000 and less than or equal to \$48,000,000; or (b) 1.00% of the loan amount, in the event that the loan amount is great than \$48,000,000. Prior to Landlord's consent to any Financing Transaction, Tenant shall deliver to Landlord a written statement showing the calculation of the Financing Participation Fee, if any, owed to Landlord from Tenant

based on the terms of the Financing Transaction. The statement of the calculation of the Financing Participation Fee shall contain such detail as may be reasonably requested by Landlord to verify the calculation of the Financing Participation Fee. The Financing Participation Fee due Landlord shall be payable in full to Landlord concurrent with the completion of the Financing Transaction. When owed, the Financing Participation Fee shall constitute Additional Rent.

11. ASSIGNMENT/SUBLEASE

11.1 Consent Required.

Subject to the terms of Section 11.9, no Assignment, Sublease, or Change in Entity (each a "**Transfer**") shall be made or permitted without in each instance the prior written consent of Landlord, which consent shall not be unreasonably withheld. It is mutually agreed that Landlord is a government agency holding title to the Premises in trust for the citizens of California and acting as a prudent steward of the Premises and that the personal qualifications of the parties Controlling Tenant are a part of the consideration for granting this Lease. As such, a Change in Entity is as relevant to Landlord as an Assignment. For purposes of this Article 11, the term Sublease shall not include the rental of boat slips and dock lockers to tenants not operating a business on or from the Premises.

11.2 Request for Consent.

If a Transfer is proposed, Tenant shall notify Landlord in writing, which notice (the "**Transfer Notice**") shall include: (a) the proposed effective date of the Transfer, which shall not be less than 60 days nor more than 180 days after the date of delivery of the Transfer Notice; (b) with respect to a Sublease, a completed Sublease Questionnaire form (Landlord Form 317 or 320, depending on the term of the Sublease) including, among other information, a description of the portion of the Premises which is proposed to be Subleased; (c) the terms of the proposed Transfer, the name and address of the proposed transferee with respect to an Assignment or Sublease ("**Transferee**"), or if the Transfer is a result of a Change in Entity, a description of the direct and indirect ownership and Control of Tenant just before and just after the Transfer and a copy of all existing and/or proposed documentation pertaining to the proposed Transfer, including all existing operative documents to be executed to evidence such Transfer and the agreements incidental or related to such Transfer; (d) a statement of any current litigation or litigation which was resolved within the prior five (5) years affecting the proposed Transferee or Persons acquiring an interest resulting in a Change in Entity; (e) current financial statements of the proposed Transferee certified by a reputable, certified public accountant (which shall be audited if that is the customary practice of the Transferee); and (f) such other information as Landlord may reasonably request. Any Transfer made without Landlord's prior written consent shall, at Landlord's option, be null, void and of no effect, and shall, at Landlord's option, constitute a default by Tenant under this Lease upon written notice thereof to Tenant. Whether or not Landlord shall grant consent, Tenant shall pay Landlord's reasonable legal and other fees incurred by Landlord in connection with the proposed Transfer pursuant to the Reimbursement Procedure, regardless of whether such transaction is consummated. Any Transfer shall be subject to the terms and provisions of this Lease. Notwithstanding anything to the contrary in this Lease, if Tenant claims that Landlord has unreasonably withheld or delayed its consent under this Article 11 or otherwise has breached or acted unreasonably under this Article 11, Tenant's sole remedies shall be a declaratory judgment and an injunction for the relief sought without any monetary damages, and Tenant hereby waives the provisions of Section 1995.310 of the California Civil Code, or any successor statute, and all other remedies. The burden of producing evidence and the burden of proof showing Landlord that a prospective Transferee meets each and all of the aforesaid qualifications and standards

shall be on Tenant.

11.3 Consent Factors.

If Landlord consents to any Transfer, Tenant may, within 180 days after the date of delivery of the Transfer Notice, enter into such Transfer of Tenant's interest in the Premises or portion thereof, upon the same terms and conditions as are set forth in the Transfer Notice furnished by Tenant to Landlord, provided that if there are any material adverse changes to the financial condition of the Transferee or any other material changes to any proposed Transfer terms specified in the Transfer Notice, Tenant shall again submit the Transfer to Landlord for its approval and other action under this Article 11.

Without limitation of Landlord's right to withhold its consent for other reasonable reasons, the parties hereby agree that it shall be reasonable under this Lease and under any applicable Law for Landlord to withhold consent to any proposed Transfer where Landlord determines in its reasonable discretion that one or more of the following apply (it being understood that for the purposes of this Section 11.3 and Section 11.5 in the case of a Change in Entity, references to "**Transferee**" shall mean Tenant following the Change in Entity):

11.3.1 Insufficient Experience.

The Transferee, its parent company, its principals, or its management company are not experienced in the ownership or management of similar projects or lack sufficient business reputation and experience to operate a successful business of the type and quality contemplated under this Lease.

11.3.2 Inconsistent Use.

The Transferee's proposed use of the Premises following the proposed Transfer will not be for the Permitted Use or the quality of the use is not of the quality contemplated under this Lease;

11.3.3 Reputation.

The Transferee (i) is not reputable (a reasonably verifiable reputation for dishonesty, criminal conduct or association with criminal elements; it being understood that "reputable" shall not mean "prestigious", nor shall the determination of whether one is reputable involve considerations of personal taste or preference), or (ii) has a history of either discriminatory employment practices which violate any Laws or non-compliance with Environmental Laws;

11.3.4 Financial Stability.

The Transferee (or any proposed guarantor of all of Transferee's obligations under this Lease) is not a party of sufficient financial worth and financial stability in light of Tenant's obligations under this Lease, taking into consideration the Tenant and Guarantor's cumulative net worth as of the Effective Date, the Transferee and any guarantor's cumulative net worth at the time of the proposed Transfer, and the intervening cumulative increases in CPI;

11.3.5 Default.

At the time of request or Transfer, Tenant is in default under this Lease or any other lease between Landlord and Tenant or an entity that is Controlled by or under common Control with

Tenant or which Controls Tenant is in default (after applicable notice and cure periods) of its lease with Landlord.

11.3.6 Other Grounds.

Any other reasonable grounds considering the unique nature and interests of the Landlord including the fact that Landlord holds the Premises in trust for the people of the State of California and Landlord's duty of care in administering a valuable public resource.

Tenant acknowledges and agrees that each of the grounds set forth in this Section 11.3 above in the event of proposed Transfer is a reasonable restriction on Transfer for purposes of California Civil Code Section 1951.4. The burden of producing evidence and the burden of proof showing Landlord that a prospective Transferee meets each and all of the aforesaid qualifications and standards shall be on Tenant.

11.4 Effect of Transfer.

If Landlord consents to a Transfer, (a) the terms and conditions of this Lease shall in no way be deemed to have been waived or modified, (b) such consent shall not be deemed consent to any further Transfer by either Tenant or a Transferee, (c) Tenant shall deliver to Landlord, within 10 days after execution, an original executed copy of all documentation pertaining to the Transfer, and any document evidencing a Transfer shall be in form reasonably acceptable to Landlord, and (d) no Transfer relating to this Lease or agreement entered into with respect thereto, whether with or without Landlord's consent, shall relieve Tenant or any guarantor of the Lease from liability under Articles 19, 21, and/or 22.

11.5 Transfer Conditions.

In the event Landlord consents to any Transfer (other than for a Sublease for less than 25% of the floor area of the Improvements computed in the aggregate for one or a series of transactions), then at Landlord's election said consent shall be conditioned upon any or all of the following: (a) the Transferee (other than a Subtenant under a Sublease of less than all or substantially all of the Premises) shall agree to be bound by all provisions, and assume each and every obligation, under this Lease (including those obligations arising or pertaining to periods prior to the effective date of the Transfer), or in the case of a Subtenant under a Sublease of less than all or substantially all of the Premises, such Subtenant shall execute a document acceptable to Landlord acknowledging that all rights of the Subtenant are subject to all terms and conditions of this Lease as the same relate to the space subject to the Sublease; (b) this Lease shall be amended and restated and executed or a Lease amendment shall be executed to reflect updated or additional lease provisions for the purpose of conforming this Lease to Landlord's then standard leasing terms, practices, and policies; (c) Transferee shall comply with other conditions and qualifications determined by the BPC; and (d) in the case of a Sublease, the Subtenant shall execute an attornment agreement as provided in Section 11.6 below. Without limiting the generality of clause (a) above, the Transferee shall be obligated for the payment to Landlord of any underpayment of Rent determined to be due under Section 5.1.3(f) above, together with the cost of the audit if applicable, notwithstanding that such underpayment of Rent, and related audit, pertains to a period of time prior to the effective date of the Transfer.

11.6 Subtenant Attornment.

Every Sublease hereunder is subject to the express condition, and by accepting a Sublease

hereunder each Subtenant shall be conclusively deemed to have agreed, that if this Lease terminates or if Landlord succeeds to Tenant's estate in the Premises, the Subtenant shall, at the option of Landlord, attorn to and recognize Landlord as the Subtenant's landlord under the Sublease, provided that Landlord shall not: (a) be liable for any act or omission or negligence of Tenant; (b) be subject to any counterclaim, offset or defense which theretofore accrued to such Subtenant against Tenant; (c) be bound by any payment of Rent or other sums of money for more than one month in advance or any security deposit (unless actually received by Landlord); (d) be obligated to perform any work in the sublet space; (e) in the event of a casualty, be obligated to repair or restore Improvements; (f) in the event of a partial Taking, be obligated to repair or restore Improvements; (g) be obligated to make any payment to such Subtenant; or (h) be bound by any obligations that Landlord lacks the capacity to perform. Any Subtenant shall promptly execute and deliver any instrument Landlord may reasonably request to evidence such attornment. Upon early termination of this Lease, Tenant shall pay over to Landlord all sums held by Tenant for the benefit of Subtenants or as security under the provisions of the existing Subleases.

11.7 Sublease Rent Requirements.

Subject to the terms of any Permitted Encumbrance, each Sublease shall require the Subtenant thereunder to make all payments of Rent and other sums of money to Landlord during the existence of a default hereunder which continues beyond applicable notice and cure and following written notice of the same from Landlord, and Landlord shall apply said payments made to all Rent that is due and payable to Landlord pursuant to this Lease, and, provided no Tenant default is continuing, any remaining amounts will be returned to Tenant.

11.8 Reporting of Sublease Information.

If Tenant has entered into any Subleases, then within 30 days of written request from Landlord and within 60 days after the end of each calendar year, Tenant shall submit to Landlord a rent roll in the form of Exhibit G attached hereto containing the information described therein for each Sublease then in effect, along with a site plan showing locations of any Subleases.

11.9 Permitted Lender and Foreclosure Purchasers.

The foregoing provisions of this Article 11 shall not apply to the following Transfers, which are governed by Sections 10.3 and 10.4: (a) a Transfer to a Permitted Lender or a designee of the Permitted Lender who is Controlled by or is who is under common Control with the Permitted Lender pursuant to the foreclosure of the Permitted Encumbrance or an Assignment in lieu of foreclosure; or (b) a Transfer to a Foreclosure Purchaser.

11.10 Landlord Participation Fee.

Upon each (a) Assignment pursuant to this Article 11 to a Third Party (as defined below), (b) sale of substantially all of the assets of Tenant (whether through one transaction or a series of transactions) to a Third Party, (c) Change in Entity of Tenant, and (d) Sublease of all or substantially all of the Premises to one single Third Party (any of the transactions in clauses (a), (b), (c), or (d) of this Section 11.10, a "**Fee Generating Transfer**"), Tenant shall pay to Landlord a fee (the "**Assignment Participation Fee**") in an amount equal to 0.85% of the Gross Proceeds of such transaction.

Prior to Landlord's consent to any transaction subject to an Assignment Participation Fee, Tenant shall deliver to Landlord a written statement showing the calculation of the Assignment

Participation Fee owed to Landlord from Tenant based on the terms of the transaction. The statement of the calculation of the Assignment Participation Fee shall contain such detail as may be reasonably requested by Landlord to verify the calculation of the Assignment Participation Fee. The Assignment Participation Fee due to the Landlord shall be payable in full to Landlord concurrent with the completion of the transaction and shall be a joint and several obligation of the transferee and transferor. When owed, the Assignment Participation Fee shall constitute Additional Rent.

For the purposes of this Section 11.10, the term "**Third Party**" shall mean any Person other than (i) Guarantor or an entity who is directly or indirectly Controlled by Guarantor, (ii) a Permitted Lender, or (iii) an assignee of a Permitted Lender (whether the Permitted Lender acquires the leasehold interest under this Lease by foreclosure or deed-in-lieu of foreclosure or pursuant to a new lease), or provided, however, that if the Gross Proceeds paid by the assignee exceed the Aggregate Debt Amount (as defined below), then such assignee of the Permitted Lender shall be a Third Party and the Assignment Participation Fee shall be payable solely with respect to the portion of the Gross Proceeds that exceed the Aggregate Debt Amount. The term "**Aggregate Debt Amount**" shall mean the aggregate amount of the outstanding principal, interest and other amounts secured by the applicable Permitted Encumbrance at the time of acquisition by the Permitted Lender of the leasehold interest in the Premises.

For the purposes of this Section 11.10, with respect to any Fee Generating Transfer, the term "**Gross Proceeds**" shall mean the purchase price or other consideration paid (either in cash or by an assumption of debt or other consideration and, if paid over time, the present value of the total consideration using the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus 1%) to Tenant and/or holders of direct or indirect interests in Tenant in connection with the subject transaction less the sum of (x) any prorations, brokerage fees, closing costs, or other customary deductions to the purchase price for which the seller is responsible and provided such amounts are reasonable and (y) if the Third Party is the assignee of a Permitted Lender, the Aggregate Debt Amount.

Upon the request of Landlord from time to time (which request shall be no more frequent than once per year), Tenant shall provide Landlord with a schedule listing the names and mailing address of all holders of direct or indirect (at all levels) interests in Tenant other than holders of interests traded on a recognized public exchange. In the event that such shareholder, partner, member or other interest holder is a trust, Tenant shall include in such schedule the name and mailing address of each trustee of said trust, together with the names and mailing addresses of each beneficiary of said trust.

12. DEFAULTS AND REMEDIES

12.1 Defaults.

In addition to any terms hereof expressly providing for a default hereunder, the occurrence of any one or more of the following events shall constitute a default by Tenant hereunder:

12.1.1 Abandonment.

Any absence by Tenant from the Premises for 10 consecutive days or longer (except to the extent caused by Force Majeure Event).

12.1.2 Failure to Pay

Failure by Tenant to pay, when due, any Rent, other payment, and/or charge herein, is where such failure continues for a period of five days after receipt of written notice thereof. Provided, however, any such notice provided in this Section 12.1.2 or in subsequent Section 12.1.3 shall be in lieu of, and not in addition to, any notice required under Section 1161 of the California Code of Civil Procedure, as amended.

12.1.3 Failure to Perform.

Failure by Tenant to perform any express or implied covenants or conditions in this Lease (other than as provided in the other subsections in this Section 12.1, should such failure continue for 30 days after written notice thereof is given to Tenant; provided that if the nature of such failure is such that the same cannot reasonably be cured within such 30 day period, Tenant shall not be deemed to be in default if it diligently commences such cure within such period and thereafter diligently proceeds to rectify and cure such failure, but in no event exceeding a period of time in excess of 90 days after written notice thereof from Landlord to Tenant.

12.1.4 Bankruptcy Event.

The occurrence of a Bankruptcy Event.

12.1.5 Specified Defaults.

The occurrence of any event expressly stated to constitute a default under the Lease which continues beyond any applicable notice and cure period.

12.1.6 Health Rating.

If the use of the Premises involves the sale and/or preparation of food, Tenant's failure to do any of the following in the event the failure continues for more than 30 days after the change in health rating from the health department: (i) maintain a health department rating of "A" (or such other highest health department or similar rating as is available) for those portions of the Premises that as of the Effective Date are not subject to a Sublease or subject to a Sublease requiring the applicable Subtenant to maintain such rating; (ii) to the extent not included in a Sublease existing as of the Effective Date, use best efforts to cause the applicable Subtenant(s) to maintain a health department rating of "A" (or such other highest health department or similar rating as is available); and (iii) use best efforts to include in all future Sublease(s) or amendments to Sublease(s) existing as of the Effective Date, a requirement that the applicable Subtenant maintain a health department rating of "A" (or such other highest health department or similar rating as is available).

12.1.7 Other Agreements.

Tenant or an entity that is Controlled by or under common Control with Tenant or which Controls Tenant is in default (after applicable notice and cure periods) under any other agreement between Landlord, on the one hand, and Tenant or such entity, on the other hand.

12.2 Remedies.

Upon any default which continues beyond any applicable notice and cure period, Landlord may, in addition to all other rights and remedies afforded Landlord hereunder or by law or equity, take

any one or more of the following actions:

12.2.1 Termination of Lease.

Terminate this Lease by giving Tenant written notice thereof, in which event Tenant shall immediately surrender the Premises to Landlord. In the event that Landlord shall elect to so terminate this Lease, then Landlord may recover from Tenant:

(a) The worth at the time of award of any unpaid Rent which had been earned at the time of such termination; plus

(b) The worth at the time of award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such Rent loss Tenant proves reasonably could have been avoided; plus

(c) The worth at the time of award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of such Rent loss that Tenant proves reasonably could be avoided; plus

(d) Any other amount necessary to compensate Landlord for all detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, including, without limitation, the cost of recovering possession of the Premises, expenses of reletting (including necessary repair, renovation and alteration of the Premises), reasonable attorneys' fees, and any other reasonable costs; plus

(e) At Landlord's election, such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by applicable California law.

AS USED IN SUBPARAGRAPHS (A) AND (B) ABOVE, THE "WORTH AT THE TIME OF AWARD" IS COMPUTED BY ALLOWING INTEREST AT THE DEFAULT RATE. AS USED IN SUBPARAGRAPH (C) ABOVE, THE "WORTH AT THE TIME OF AWARD" IS COMPUTED BY DISCOUNTING SUCH AMOUNT AT THE DISCOUNT RATE OF THE FEDERAL RESERVE BANK OF SAN FRANCISCO AT THE TIME OF AWARD PLUS ONE PERCENT (1%).

Unpaid rent following the date of termination for purposes of this Section 12.2.1 shall be determined by taking into consideration (i) the average amount of rent paid over the prior three-year period (or, if Tenant was in default and/or failed to pay rent on multiple occasions during such period, what can be reasonably assumed would have been paid had Tenant been in compliance with the terms of this Lease), and (ii) reasonable growth assumptions for Rent following the date of termination (which growth assumptions shall take into account growth of Rent over the prior 10-year period, or, if Tenant was in default and/or failed to pay rent on multiple occasions during such period, the cumulative increases in CPI over such 10-year period).

Failure by Landlord to enforce one or more of the remedies herein provided upon a default shall not be deemed or construed to constitute a waiver of such default. Tenant hereby waives for Tenant and for all those claiming under Tenant all rights now or hereafter existing to redeem by order or judgment of any court or by any legal process or writ, Tenant's right of occupancy of the Premises after any termination of this Lease.

12.2.2 Continue Lease in Effect.

Landlord shall have the remedy described in California Civil Code Section 1951.4

(Landlord may continue this Lease in effect after Tenant's breach and abandonment and recover Rent as it becomes due if Tenant has the right to sublet or assign this Lease, subject only to reasonable limitations).

12.2.3 Perform Acts on Behalf of Tenant.

Perform any act Tenant is obligated to perform under the terms of this Lease (and enter upon the Premises in connection therewith if necessary) in Tenant's name and on Tenant's behalf, without being liable for any claim for damages therefor, and Tenant shall reimburse Landlord within 10 days after receipt of written demand therefor (together with reasonable documentation) for any expenses which Landlord may incur in thus effecting compliance with Tenant's obligations under this Lease (including, but not limited to, reasonable collection costs and legal expenses), plus interest thereon at the Default Rate.

12.2.4 Increased Security Deposit.

In the event of more than one monetary default in any 12 month period, require Tenant to make a Security Deposit in an amount equal to 25% of the Rent paid in the 12 month period preceding the default (which remedy may be exercised on more than one occasion with further increases in the Security Deposit on any subsequent event of more than one monetary default in any 12 month period).

12.2.5 Payment by Tenant.

Upon any default which continues beyond applicable notice and cure periods, Tenant shall pay to Landlord all costs incurred by Landlord (including court costs and reasonable attorneys' fees and expenses) in: (a) obtaining possession of the Premises; (b) removing and storing Tenant's or any Subtenant's property; (c) repairing, restoring, altering, remodeling, or otherwise putting the Premises into condition reasonably acceptable to a new tenant for the Permitted Use and (d) enforcing, or advising Landlord of, its rights, remedies, and recourses arising out of the default.

12.2.6 Assignment of Plans and Other Matters.

If this Lease is terminated by Landlord or Landlord otherwise takes possession of the Premises by reason of Tenant's default, Tenant hereby agrees that, if Landlord so requests, (a) Tenant, at Tenant's sole cost and expense, shall assign and transfer to Landlord all of Tenant's right, title and interest in and to all plans, drawings, specifications, permits, approvals, warranties, entitlements, and other similar property and instruments relating to the Premises, free and clear of liens and claims by third parties, in connection therewith, and (b) Tenant shall execute and deliver to Landlord, within five business days of Landlord's written request, in a form provided by and reasonably acceptable to Landlord and Tenant, an instrument confirming the Assignment and transfer of such property and interests to Landlord and shall, within such five business day period, deliver the originals of such plans, drawings, specifications, permits, approvals, warranties, entitlements, and other similar property and instruments relating to the Premises to Landlord. Tenant agrees to reasonably cooperate with Landlord at no cost or expense to Landlord in seeking any consent from the preparer of any plans, drawings, specifications, permits, approvals, warranties, entitlements, and other similar property and instruments relating to the Premises, to the extent assignable, which may be required for Landlord to rely on such plans, drawings, specifications, permits, approvals, warranties, entitlements, and other similar property and instruments relating to the Premises.

13. BANKRUPTCY

13.1 Bankruptcy Event.

Upon occurrence of a Bankruptcy Event, Landlord shall have all rights and remedies available pursuant to Article 12. After the commencement of a Bankruptcy case: (a) Tenant shall perform all post-petition obligations of Tenant under this Lease; and (b) if Landlord is entitled to damages (including unpaid Rent) from and after any order for relief pursuant to the terms of this Lease, then all such damages shall be entitled to administrative expense priority pursuant to the Bankruptcy Code. Tenant acknowledges that this Lease is a lease of nonresidential real property and therefore Tenant, as the debtor in possession, or the trustee shall not seek or request any extension of time to assume or reject this Lease or to perform any obligations of this Lease which arise from or after the order of relief.

13.2 Assignment/Assumption.

Any Person to which this Lease is assigned pursuant to the Bankruptcy Code shall be deemed without further act or deed to have assumed all of the obligations arising under this Lease on and after the date of Assignment, and any such assignee shall upon request by Landlord execute and deliver to Landlord an instrument confirming such assumption in a form acceptable to Landlord. If Tenant desires to assume and assign this Lease under the Bankruptcy Code to any Person who shall have made a bona fide offer, then Tenant shall give Landlord written notice of such proposed Assignment (which notice shall set forth the name and address of such Person, all of the terms and conditions of such offer, and the adequate assurance to be provided Landlord to assure such Person's future performance under this Lease) prior to the date Tenant shall make application to the appropriate court for authority and approval to enter into such Assignment and assumption. Landlord shall thereupon have the prior right and option, to be exercised by notice to Tenant given at any time prior to the effective date of such proposed Assignment, to accept an Assignment of this Lease upon the same terms and conditions and for the same consideration, if any, as the bona fide offer made by such Person, less any brokerage commissions which may be payable out of the consideration to be paid by such Person for the Assignment of this Lease. If Tenant fails to assume or assume and assign this Lease in accordance with the requirements of the Bankruptcy Code within the period provided by the Bankruptcy Code or allowed by the Bankruptcy Court, then the Lease shall be deemed rejected and the Landlord shall have all rights and remedies available to it pursuant to Section 12.2. At any time during the Term, upon not less than five days' prior written notice, Tenant shall provide Landlord with audited financial statements for Tenant for not less than the past two years. Such statements are to be certified by an authorized representative of Tenant to be true, correct and complete, prepared in accordance with generally accepted accounting principles and audited by any independent certified public accountant.

13.3 Adequate Assurances.

In the event Tenant or proposed assignee under Section 13.2 proposes under the Bankruptcy Code to cure any default under this Lease or to assume or assign this Lease and is obliged to provide adequate assurance to Landlord that (i) a default shall be cured, (ii) Landlord shall be compensated for its damages arising from any breach of this Lease, and (iii) future performance of Tenant's obligations under this Lease shall occur, then such adequate assurances shall include all of the following, as designated by Landlord in its sole and absolute discretion:

- (a) Those acts specified in the Bankruptcy Code or other applicable laws as

included within the meaning of "adequate assurance";

(b) A prompt cash payment to compensate Landlord for any monetary defaults or actual damages arising directly from a breach of this Lease;

(c) A cash deposit in an amount at least equal to the then-current amount of the Security Deposit; and

(d) The assumption or Assignment of all of Tenant's interest and obligations under this Lease.

14. EMINENT DOMAIN

14.1 Eminent Domain.

If all or any portion of the Premises shall be condemned pursuant to exercise of the power of eminent domain, or acquired under an actual threat of the exercise of such power (collectively, "**Condemnation**") the rights and obligations of Landlord and Tenant with respect thereto shall be as set forth in this Article 14. Nothing in this Article 14 shall be interpreted to prevent Landlord from exercising its power of eminent domain as to Tenant's leasehold interest and/or Premises.

14.2 Notice of Condemnation.

If either party hereto receives notice of any Condemnation or intended Condemnation (including, without limitation, service of process), within five business days of receipt, the party in receipt thereof shall deliver to the other party an exact copy of such notice of or relating to any intended Condemnation and the date such notice was received.

14.3 Representation of Interest.

Landlord and Tenant shall each have the right to represent its respective interests in such proceeding or negotiation with respect to a Condemnation or intended Condemnation and to make full proof of its claims. Landlord and Tenant each agrees to execute and deliver to the other any instrument which may be required to effectuate or facilitate the provisions of this Article 14.

14.4 Early Termination.

In the event of a Condemnation of all of the Premises or such portion of the Premises so that Tenant cannot reasonably use or access the remainder of the Premises for the purposes permitted under this Lease (as reasonably determined by Tenant and approved by Landlord in its reasonable discretion), this Lease shall terminate as of the date of such Condemnation. A termination of this Lease pursuant to this section shall act to relieve Tenant from any further liability under this Lease except as to obligations accruing or arising on or prior to termination or which are otherwise required to be performed in connection with such termination or surrender of the Premises or which otherwise expressly survive termination. Tenant shall deliver the Premises to Landlord in the condition required for the surrender of the Premises under this Lease.

14.5 Partial Condemnation.

If only a portion of the Premises is subject to Condemnation and this Lease is not terminated pursuant to Section 14.4 above, then this Lease shall continue in full force and effect upon the same terms and conditions as set forth herein, and the Rent shall be reduced in proportion to the

reduction in the value of the Premises after the Condemnation as compared to the value of the Premises immediately prior to the Condemnation (as reasonably determined by Tenant and approved by Landlord in its reasonable discretion).

14.6 Temporary Condemnation.

If any portion of the Premises, including the entirety thereof, is subject to a temporary Condemnation, then this Lease shall continue in full force and effect and there shall be no adjustment or abatement in Rent during the term of such temporary Condemnation. Any portion of an award, settlement or other compensation or damages which may be given for such temporary Condemnation attributable to the Term shall be the property of Tenant and any portion attributable to any period following the expiration of the Term shall be the property of Landlord. As used herein, a "temporary Condemnation" shall mean any taking which is not intended by the condemning authority to be permanent at the time such Condemnation initially occurs.

14.7 Award.

14.7.1 Leasehold Award.

In the event of any Condemnation of all or any portion of the Premises (other than a temporary Condemnation), Landlord shall be entitled to any and all awards and/or settlements or other compensation or damages which may be given for (i) any "bonus value" respecting this Lease (i.e., the excess value of the leasehold arising from the fact that the scheduled rent is less than the market rent for the Premises), and (ii) the land (and water, if applicable) comprising the Premises. Any and all other awards and/or settlements or other compensation or damages (collectively, "**Leasehold Award**") for Improvements and the leasehold estate created by this Lease (excluding any bonus value thereof) shall be paid as follows:

(a) Provided this Lease is not terminated pursuant to Section 14.4 above, the Leasehold Award shall be payable in trust to any Permitted Lender that is a Financial Institution, if any, and shall be disbursed for the payment of the costs of repairing and restoring the remaining portion of the Premises to substantially its value, condition and character prior to such Condemnation to the extent the same may be feasible. If there is no Permitted Lender that is a Financial Institution or if there is but the Permitted Lender declines to act as a trustee for the disbursement of funds as provided above, then such Leasehold Award shall be payable in trust to a bank or trust company doing business in the County of San Diego agreed upon by the parties, or if the parties fail to agree, to Bank of America, N.A., or its successor, and shall be disbursed by such trustee as provided above. If the Permitted Lender is the trustee, the Permitted Lender may disburse the progress payments in accordance with its normal loan disbursement procedures (e.g., upon receipt of appropriate mechanics lien releases, invoices, etc.) so long as such disbursement procedures are reasonably acceptable to Landlord and ensure that the Leasehold Award is applied to the costs of repairing and restoring the Premises.

(b) If this Lease is terminated pursuant to Section 14.4, or if there are excess proceeds available after completion of the repair and restoration of the Premises as provided above, then any portion of the Leasehold Award not used for the repair and restoration of the remaining portion of the Premises pursuant to Section 14.7.1(a) above, or used to place the Premises in the condition required for the surrender of same to Landlord, shall be divided between Landlord and Tenant, with Landlord to receive a sum computed by multiplying such excess funds awarded with respect to such Improvements by a fraction, the numerator of which shall be the number of years (or portion thereof) of the Term that have, at the time of such Condemnation, expired, and the denominator of which shall be the total number of years in the full Term. The

remaining amount shall be paid to Tenant subject to Permitted Lender's rights under Section 14.7.1(c) below.

(c) Any portion of the Leasehold Award relating to Improvements and not used as described in Section 14.7.1(a) and Section 14.7.1(b) and which is payable to Tenant pursuant to Section 14.7.1(b) shall be paid to the Permitted Lender to be applied against its Permitted Encumbrance to the extent such payment is required to be made by Tenant pursuant to the terms of the Permitted Encumbrance held by the Permitted Lender.

(d) Any remaining portion of the Leasehold Award after payment as described above shall be paid to Tenant. Notwithstanding the foregoing sentence, with respect to any Leasehold Award received in connection with any Condemnation for street widening or the installation of utilities, public sidewalks or walkways which occurs at any time following the Commencement Date, and provided such Condemnation does not result in material physical damage to then existing buildings or driveways, parkway access or access ways serving the Improvements, Landlord instead of Tenant, shall be entitled to receive, in addition to any award otherwise payable to Landlord pursuant to this Article, all of that portion of the Leasehold Award distributed to Tenant pursuant to this Section 14.7.1(d).

(e) In addition to any other amounts to which Tenant is entitled as set forth above, Tenant shall be entitled to pursue any rights and remedies it may have against such condemning authority for: (i) any of Tenant's personal property; (ii) compensation pursuant to the provisions of California Government Code Section 7262 et seq.; (iii) compensation for loss of good will pursuant to California Code of Civil Procedure Section 1263.510 et seq.; and (iv) any other personal rights and remedies to which the occupant and user of the condemned portion of the Premises may be entitled under law. Said amounts shall not be deemed a part of an "award" as provided above.

(f) Nothing in this Section 14 shall be construed to allow Tenant to prosecute any claim against the condemning authority or Landlord which would diminish or otherwise adversely affect the Leasehold Award or Landlord's rights herein.

14.7.2 Default.

Anything in this Article 14 to the contrary notwithstanding, Tenant shall not be entitled to any funds, awards, rights, benefits or entitlement of any kind arising from or out of a Condemnation, except so far as is designated for damage to Tenant's personal property, if the same occurs during the period in which a default exists under this Lease or after Landlord has exercised any remedy referred to in Section 12.2 above by reason of Tenant's default. Tenant shall be entitled to any award allocated by a court of competent jurisdiction to Tenant's personal property.

15. MAINTENANCE AND REPAIR

15.1 Maintenance and Repair.

The Premises and all Improvements, both inside and outside, shall be put and kept in in first-class appearance, good operating condition and repair by Tenant at Tenant's sole cost and expense. Tenant, at its sole cost and expense, shall be fully responsible for all care, maintenance, and repair of the Premises and all Improvements as necessary, including necessary capital repairs, to keep the Improvements in first-class appearance, good operating condition and repair, except for reasonable wear and tear. Tenant acknowledges that over the Term, that in order to adhere to these maintenance and repair standards, certain repairs and replacements will be required and

that regular reinvestment should be anticipated. Without limitation of the foregoing, Tenant shall perform all maintenance and make all repairs and replacements, ordinary as well as extraordinary, structural or otherwise, which may be necessary or required so that all times the Premises and the Improvements (together with all equipment, trade fixtures, mechanical and utility systems, paving, landscaping, installations and appurtenances) shall be in first-class appearance, good operating condition and repair, satisfactory to Landlord in its reasonable discretion, except for reasonable wear and tear. Further, Tenant shall provide containers for the collection of trash and garbage outside the Improvements and keep the Premises in a clean, safe, healthy and sanitary condition, free and clear of rubbish, litter, and any fire hazards. Tenant's maintenance shall include, without limitation, all preventive maintenance, painting and replacements necessary to maintain and preserve the Premises and Improvements, and compliance with the Best Management Practices ("**BMPs**") set forth in the Jurisdictional Runoff Management Program incorporated by reference in Article 10 of the San Diego Unified Port District Code.

Prior to Tenant performing any non-routine repairs or replacements (*i.e.*, those not occurring with an expected or known frequency in the normal course of business) to the exterior, the structure or building systems or which will substantially interfere with the typical operation of the Improvements, plans and specifications must first be submitted to Landlord and receive Landlord's written approval, pursuant to the procedures provided in Article 6 herein as if such repairs or replacements were Alterations.

Tenant waives all rights to make repairs at the expense of Landlord, as provided in Section 1942 of the California Civil Code, and all rights provided by Section 1941 of the California Civil Code.

15.2 Condition in Compliance with Laws.

Tenant, at its sole cost and expense, shall keep the Premises and Improvements (together with all equipment, trade fixtures, mechanical and utility systems, paving, installations and appurtenances) in full compliance with all applicable Laws and the requirements of any insurer providing insurance for the Premises or any part thereof.

15.2.1 Records and Audit.

Tenant shall, during the Term, and, with respect to each record, for a period of seven (7) years from the date the record was created (or such longer period as Tenant may decide in its sole discretion), keep or cause to be kept, accurate and complete records of maintenance conducted by any Tenant Party other than a Subtenant. Such records relating to the Premises shall be kept either at the Premises or at such other locations in San Diego County, California as are acceptable to Landlord. Upon five business' days advance written notice, Landlord shall have the right at any time to examine such maintenance records without restriction and, at Landlord's request, Tenant shall provide Landlord with copies thereof at Tenant's expense for the purpose of determining the accuracy thereof.

In addition, Tenant shall use commercially reasonable efforts to require Subtenants to maintain and submit upon request all maintenance records under those portions of the Premises covered by Subleases. .

15.3 Performance by Landlord.

15.3.1 Inspection and Correction.

Landlord always shall have the right but not the duty or obligation to enter, view, inspect,

determine the condition of, and protect its interests in the Premises and Improvements during normal business hours and upon 24' hours prior notice to Tenant (except in the case of an emergency in which case no prior notice shall be required but each of such Landlord Parties shall notify the onsite manager of the Premises thereof by phone prior to entering the Premises) and Landlord shall, and shall cause each of such Landlord Parties to: (a) comply with all applicable and reasonable security and safety procedures of Tenant of which Tenant informs Landlord in writing and with which such Landlord Party can reasonably comply, and (b) use commercially reasonable efforts to minimize any interference with Tenant's operation and use of the Premises while on the Premises and at the Improvements. If Landlord determines that the Premises or Improvements are not in the condition required pursuant to the terms of this Lease, Landlord shall deliver written notice to Tenant detailing the items to be corrected and Tenant shall commence the necessary maintenance, alteration, repair and replacement work necessary to remedy the issues set forth in Landlord's notice within 15 days after written notice from Landlord and diligently pursue such work to completion. Further, if at any time Landlord determines the Premises or Improvements are not in the condition required pursuant to the terms of this Lease, and Tenant fails to timely take corrective action pursuant to the previous sentence, then ,following such failure and upon ten 10 days prior written notice, Landlord may require Tenant to file and pay for a performance bond. The amount of said bond shall be adequate, in Landlord's reasonable opinion, to correct all unsatisfactory conditions.

15.3.2 Landlord Repair Rights.

At Landlord's option, if Tenant fails to commence to perform the necessary maintenance, alteration, repair and replacement work within 15 days of Landlord's written demand therefor and thereafter diligently prosecute such work to completion (except in the event of an emergency in which case no such notice shall be required), Landlord may, but need not, perform such maintenance, alteration, repair or replacement work, and Tenant shall pay Landlord the actual cost thereof, together with interest thereon at the Default Rate from the date incurred until paid and an administrative fee of 10% of the cost of such work pursuant to the Reimbursement Procedure. Such payments shall constitute Additional Rent under this Lease and shall be paid monthly as billed by Landlord or in a lump sum payment, as directed by Landlord. If requested by Landlord, Tenant shall pay to Landlord the entire estimated cost of such work in advance, but such payment shall not relieve Tenant from the obligation to pay any excess costs that may be actually incurred by Landlord. For all maintenance, alteration, repair and replacement work undertaken by Landlord, Tenant hereby indemnifies and shall defend, at Tenant's sole expense and with counsel reasonably acceptable to Landlord, and hold the Landlord Parties harmless from any and all liability, Related Costs, demands, damages, expenses (including, without limitation, attorneys', consultants' and experts' fees, court costs and amounts paid in settlement of any claims or actions), arising directly or indirectly out of such work or the performance thereof, unless the same is the result of the gross negligence or willful misconduct of Landlord. Landlord shall have no obligation to repair or maintain any portion of the Premises. The rights of Landlord under this Section shall not create any obligations or increase any obligations of Landlord elsewhere in this Lease, nor shall the exercise of such rights, or the failure to exercise same, limit any other rights or remedies of Landlord. Tenant shall provide Landlord Parties access to the Premises for the purposes set forth in this Section 15.3.

15.4 Records.

Tenant shall, at all times during the Term, keep or cause to be kept, accurate and complete records of maintenance conducted at the Premises for a period of seven (7) years from the date the record was created (or such longer period as Tenant may decide in its sole discretion). The

records must be supported by source documents of original entry such as invoices, receipts, work orders, construction contracts, service contracts or other pertinent supporting documents. All of Tenant's maintenance records relating to the Premises shall be kept either at the Premises or at such other locations in San Diego County, California as are acceptable to Landlord. Landlord shall have the right at any time to examine such maintenance records without restriction and, at Landlord's request, Tenant shall provide Landlord with copies thereof at Tenant's expense for the purpose of determining the accuracy thereof.

16. TAXES AND PROPERTY EXPENSES

16.1 Taxes.

This Lease may result in a taxable possessory interest and be subject to the payment of property and other taxes. Tenant shall pay, prior to delinquency, all Tax Expenses attributable to any time period during the Term now or hereafter assessed against, or relating in any way to Tenant, this Lease, the Premises, the Improvements, or the use or occupancy thereof by Tenant and Tenant Parties. Tenant shall, promptly following written request therefor from Landlord, provide Landlord with evidence of the payment of Tax Expenses. "**Tax Expenses**" shall include, without limitation: all federal, state, county, or local governmental or municipal taxes, fees, assessments, charges or other impositions of every kind and nature, whether general, special, ordinary or extraordinary, (including, without limitation, real estate taxes, possessory interest taxes, use taxes, general and special assessments, leasehold taxes or taxes based upon Tenant's receipt of rent, including gross receipts or sales taxes applicable to Tenant's receipt of rent, personal property taxes imposed upon the fixtures, machinery, equipment, apparatus, systems and equipment, appurtenances, furniture and other personal property used by Tenant in connection with the Premises) and any taxes and assessments relating to the business or other activities of Tenant upon or in connection with the Premises. Tax Expenses also shall include, without limitation:

(a) Any assessment, tax, fee, levy or charge in addition to, or in substitution, partially or totally, of any assessment, tax, fee, levy or charge previously included within the definition of real property tax, possessory interest tax or use tax or other Tax Expenses, and any assessments, taxes, fees, levies and charges that may be imposed by government agencies for services such as fire protection, street, sidewalk and road maintenance, refuse removal and for other governmental services formerly provided without charge to property owners or occupants. It is the intention of Tenant and Landlord that all such new and increased assessments, taxes, fees, levies, and charges and all similar assessments, taxes, fees, levies and charges be included within the definition of Tax Expenses for purposes of this Lease; and

(b) Any assessment, tax, fee, levy, or charge, which is levied or assessed based upon the area of the Premises or the Improvements or the Rent payable hereunder, including, without limitation, any gross income tax upon or with respect to the possession, leasing, operating, management, maintenance, alteration, repair, use or occupancy by Tenant of the Premises, or any portion thereof.

Tenant agrees to reasonably cooperate with Landlord in connection with, and to not object to, the formation of a special maintenance district or infrastructure repair district that includes the Premises and other neighboring properties, the purpose of which is to fund the costs of the maintenance, repair and replacement of public property and/or improvements that benefit the Premises, or are related to the use and enjoyment of the Premises by Tenant, its Subtenants and/or their customers or invitees provided that any such special district shall not materially and adversely impact Tenant or its business operations at or from the Premises. All assessments levied by any such maintenance district shall constitute Tax Expenses.

16.2 Property Expenses.

Without limitation of Tenant's other obligations under this Lease, Tenant agrees to pay all Property Expenses. As used herein, "**Property Expenses**" include, without limitation, all costs and expenses of any nature incurred or payable, or arising in connection with, the ownership, management, maintenance, construction, repair, replacement, restoration or operation of the Premises and/or the Improvements, including, without limitation, any amounts paid for: (a) the cost of supplying any utilities, the cost of operating, maintaining, repairing, renovating and managing any utility systems, mechanical systems, communications systems, sanitary and storm drainage systems, and the cost of supplies and equipment and maintenance and service contracts in connection therewith; (b) the cost of licenses, certificates, permits and inspections; (c) the cost of any insurance carried or required to be carried by Tenant with respect to the Premises and/or the Improvements including without limitation any premiums and deductibles; (d) the cost of landscaping, supplies, tools, equipment and materials, and all fees, charges and other costs incurred in connection with the management, operation, repair and maintenance of the Premises and/or the Improvements; (e) payments under any easement, license, permit, operating agreement, declaration, or covenant or instrument pertaining to the Premises; and (f) the cost of any Improvements, capital repairs, capital alterations, or capital equipment, required by any government agency or otherwise required under this Lease.

17. EQUAL EMPLOYMENT OPPORTUNITY/NONDISCRIMINATION AND OFAC

17.1 Nondiscrimination.

Tenant shall comply with Title VII of the Civil Rights Act of 1964, as amended; the Civil Rights Act of 1991; the California Constitution; the California Fair Employment and Housing Act; the ADA; and any other applicable Laws now existing or hereinafter enacted, requiring equal employment opportunities or prohibiting discrimination. This shall include without limitation, laws and regulations prohibiting discrimination because of race, color, religion, sex, national origin, ancestry, physical or mental disability, veteran status, medical condition, marital status, age, sexual orientation, pregnancy, or other non-job related criteria. In complying with all such Laws, including without limitation the ADA, Tenant shall be solely responsible for such compliance and required programs, and there shall be no allocation of any such responsibility between Landlord and Tenant. Each Subtenant shall comply with the requirements of this Article 17.

17.2 Compliance with Employment and Labor Requirements.

Tenant shall comply with the Federal Fair Labor Standards Act of 1938; the Federal Labor-Management Reporting and Disclosure Act of 1959; the Occupational Safety and Health Act of 1970; the California Constitution; and any other Laws now existing or hereinafter enacted, regarding employment and labor practices. Tenant shall also comply with the National Labor Relations Act, including the provisions with respect to the rights of employees to organize.

17.3 OFAC Compliance.

Tenant represents and warrants: (a) Tenant and each Person owning an interest in Tenant is not now, and shall not during the Term become, a Person with whom Landlord or any citizen of the United States is restricted from doing business with under the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, H.R. 3162, Public Law 107-56 (commonly known as the "**USA Patriot Act**") and regulations

promulgated pursuant thereto, or under any successor statutes or regulations, including, without limitation, persons and entities ("**Prohibited Persons**") named on the Specially Designated Nationals and Blocked Persons List maintained by the Office of Foreign Assets Control, Department of the Treasury ("**OFAC**") and/or on any other similar list pursuant to any authorizing statute, executive order or regulation, nor a Person (also, a "**Prohibited Person**") with whom a citizen of the United States is prohibited to engage in transactions by any trade embargo, economic sanction, or other prohibition of United States law, regulation, or Executive Order of the President of the United States; (b) none of the funds or other assets of Tenant constitute property of, or are beneficially owned, directly or indirectly, by any Prohibited Person; (c) no Prohibited Person has any interest of any nature whatsoever in Tenant (whether directly or indirectly); (d) none of the funds of Tenant have been derived from any unlawful activity with the result that the investment in Tenant is prohibited by law or that the Lease is in violation of law; and (e) Tenant has implemented procedures, and will consistently apply those procedures, to ensure the foregoing representations and warranties remain true and correct at all times.

17.4 Diversity, Equity, and Inclusion

Tenant shall, within 90 days of the Effective Date, provide a written statement of Tenant's commitment to non-discrimination, diversity, equity, and inclusion in the workplace. In addition, Tenant shall provide a brief description of plans to implement good faith efforts, based on the nature of Tenant's business operations, to recruit contractors, consultants, and employees, and/or applicants for employment (collectively, "**Tenants Hires**") in a non-discriminatory manner.

In addition, following the two-year anniversary of the Effective Date, Tenant shall, within 90 days of receiving a written request from Landlord, provide a written report describing Tenant's actions and outcomes in furtherance of its commitment to non-discrimination, diversity, equity, and inclusion (provided that Landlord may only request such written report once every three years following an initial request hereunder). Tenant's report shall not identify individual Tenant Hires by name.

18. INSURANCE

18.1 Insurance.

Tenant shall maintain insurance acceptable to Landlord in full force and effect throughout the Term.

18.2 Forms of Coverage.

The policies for said insurance shall, as a minimum, provide the following:

18.2.1 Commercial General Liability.

"**Occurrence**" form Commercial General Liability covering the Premises, operations, and contractual liability assumed by Tenant in this Lease in the amount of not less than as set forth in Section 1.6. Tenant's indemnification obligations under this Lease shall in no event be limited by the terms or qualifications to the contractual liability coverage under such insurance.

18.2.2 Liquor Liability.

If alcoholic beverages are served or sold on the Premises, Liquor Liability coverage in the

amount of not less than as set forth in Section 1.6 shall be obtained. If no alcoholic beverages are served or sold on the Premises, the proof of insurance shall so state.

18.2.3 All Risk and Builder's Risk Property Coverage.

All Risk Property Coverage, including flood and debris cleanup provisions, in an amount not less than the full 100% replacement value of all Improvements, together with business interruption and extra expense coverage, including a provision for the continuation of Rent payments for 24 months, a vandalism and malicious mischief endorsement, earthquake sprinkler leakage coverage, boiler and machinery coverage and, if so required by Landlord, earthquake coverage. The coverage policies shall be endorsed with a Loss Payee endorsement in favor of Landlord. It is agreed that any insurance proceeds in excess of \$25,000 resulting from a loss under said policies shall be payable jointly to Landlord and Tenant to ensure that said proceeds will be reinvested in rebuilding and/or repairing the damaged Improvements and applied to Tenant's Rent obligations hereunder, as applicable. However, if there is a Permitted Lender that is a Financial Institution, then all proceeds from such policies of insurance (other than from the business interruption and extra expense coverage) shall be payable in trust, with safeguards reasonably acceptable to Landlord, to such Permitted Lender to be disbursed for the repair and restoration of the Improvements (or, if there is no Permitted Lender that is a Financial Institution, or if there is, but the Permitted Lender declines to hold and disburse such proceeds, to a bank or trust company doing business in the County of San Diego agreed upon by the parties, or if the parties fail to agree, to Bank of America, N.A., or its successor, which proceeds shall be deposited in interest bearing accounts or deposits agreed upon by the parties, or if the parties fail to agree, then in the bank's regular passbook savings account). All interest shall be added to the trust funds to be disbursed with the principal. All such proceeds shall be disbursed in progress payments for the payment of the cost of repairing or restoring the property so damaged or destroyed. The specific manner of holding such proceeds and the method and conditions of disbursement shall be subject to the prior written approval of Landlord so as to ensure the application of such proceeds in compliance with this Lease.

During the construction of any Alterations or restoration work, builder's risk completed value form insurance covering the perils insured under the ISO special causes of loss form, including collapse, water damage, transit and flood and earthquake coverage, covering the total value of work performed and equipment, supplies and materials furnished (with an appropriate limit for soft costs in the case of construction) and covering the full insurable value (exclusive of the cost of noninsurable items) of all equipment, supplies and materials at any off-site storage location used with respect to the construction of the Alterations or in transit. The coverage shall be endorsed with a Loss Payee endorsement in favor of Landlord. The insurance proceeds shall be paid and disbursed in the same manner as set forth in this Section 18.2.3 above.

18.2.4 Worker's Compensation.

Workers' compensation insurance covering all persons employed by Tenant at the Premises and with respect to whom death or bodily injury claims could be asserted against Tenant, Landlord or the Premises, with statutorily required limits, and employer's liability insurance with minimum limits of not less than \$1,000,000 for each accident/employee/disease. Workers' compensation insurance shall include a waiver of subrogation in favor of Landlord Parties.

18.2.5 Automobile Liability.

18.2.6 UST Insurance Obligations.

In the event underground storage tanks are located on the Premises, Tenant is required to comply with all Laws applicable to underground storage tanks, including, without limitation, United States Code, Title 42, Chapter 82, Subchapter IX, 40 CFR Part 280, 40 CFR Part 281 and 40 CFR Parts 282.50 – 282.105, and Title 23, Division 3, Chapter 18 of California Code of Regulations, collectively, herein "**UST Law.**" At the time Tenant is required to comply with any provisions of UST Law requiring financial assurance mechanisms, Tenant shall provide Landlord with a certified copy of its Certification of Financial Responsibility. If Tenant's program for financial responsibility requires insurance, then Tenant's policy(ies) shall name the Landlord Parties as additional insureds, and all other terms of Section 18.3 below shall apply. Should Tenant change its financial assurance mechanisms, Tenant shall immediately provide Landlord with a certified copy of its revised Certification of Financial Responsibility.

18.2.7 Contractor's Pollution Liability Coverage.

If the Landlord determines, in its sole and absolute discretion, that Tenant performs or contracts for any work which involves a Hazardous Materials Activity or which has the potential to disturb or result in the release of any Hazardous Material, for which there is potential exposure to pollution or Hazardous Materials to Persons or the environment, Tenant shall obtain or cause its contractor to obtain Contractor's Pollution Liability, Pollution Legal Liability and/or Asbestos Pollution Liability and/or Errors & Omissions applicable to the work being performed or the potential release of any Hazardous Material, with limits of \$5,000,000 per claim or occurrence and \$10,000,000 aggregate per policy period of one year or the limits maintained by or available to the contractor, whichever is higher. The Landlord Parties shall also be named as an additional insured on any such policy. Immediately upon learning of or reasonably suspecting that a release of Hazardous Materials has occurred on, in, under or about the Premises, Tenant shall provide notice of the same to Landlord.

18.3 General Requirements.

18.3.1 Certificates and Other Requirements.

All required insurance shall be in force the first day of the Term, and shall be maintained continuously in force throughout the Term. In addition, the cost of all required insurance shall be borne by Tenant. During the entire Term, Tenant shall provide Landlord with insurance certificates, in a form acceptable to Landlord, issued by the insurer evidencing the existence of the necessary insurance policies and original endorsements effecting coverage required by this Article 18 ("**Certificates**"). The Certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind insurance on its behalf. Notwithstanding the forgoing, Landlord reserves the right to require complete, certified copies of all required policies at any time.

18.3.2 Additional Insureds and Other Requirements.

All liability insurance policies shall name, or be endorsed to name the Landlord Parties as additional insureds and protect the Landlord Parties against any legal costs in defending claims. All liability policies shall provide cross-liability coverage. All insurance policies shall be endorsed to state that coverage will not be suspended or voided, except after Landlord has been furnished with 30 days' prior written notice. To the extent the policy is blanket endorsed or is specifically endorsed to provide the same, all insurance policies shall also provide that the subject policy shall not be cancelled without 30 days' prior written notice to Landlord. All insurance policies shall be endorsed to state that Tenant's insurance is primary and not excess or contributory to any insurance issued in the name of Landlord. Further, all insurance companies must be satisfactory to Landlord.

18.3.3 Deductibles.

Any deductibles or self-insured retentions must be declared and acceptable to Landlord. If the deductibles or self-insured retentions are unacceptable to Landlord, then Tenant shall have the option to either: (a) reduce or eliminate such deductibles or self-insured retentions as respects the Landlord Parties; or (b) procure a bond guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

18.3.4 Updates.

Landlord shall retain the right at any time to review the coverage, form, amount and type of insurance required herein. If, in the opinion of Landlord, the insurance provisions in this Lease do not provide adequate protection for the Landlord Parties and/or members of the public using the Premises or using services connected with Tenant's use or occupancy of the Premises, Landlord may require Tenant to obtain insurance sufficient in coverage, form, amount and type to provide adequate protection. Landlord's requirements shall be designed to ensure protection from and against the kind and extent of risks that exist at the time a change in insurance is required.

18.3.5 New Certificates.

If Landlord changes the insurance requirements as provided in Section 18.3.4 above, Landlord shall notify Tenant in writing of such changes. With respect to changes in insurance requirements that are available from Tenant's then-existing insurance carrier, Tenant shall deposit new Certificates with Landlord issued by the insurer evidencing acceptable insurance policies incorporating such changes within 30 days of receipt of such notice. With respect to changes in insurance requirements that are not available from Tenant's then-existing insurance carrier, Tenant shall deposit new Certificates evidencing acceptable insurance policies with Landlord, incorporating such changes, within 90 days of receipt of such notice. In the event Tenant fails to deposit insurance Certificates as required herein, and such failure is not cured within 10 days following written notice thereof to Tenant, this Lease shall be in default without further notice to or cure right by Tenant, and Landlord shall be entitled to exercise all legal remedies. Without limitation of the foregoing, Tenant agrees that if Tenant does not take out and maintain such insurance or furnish Landlord with renewals or binders in a timely manner, Landlord may (but shall not be required to), procure said insurance on Tenant's behalf and charge Tenant the cost thereof, which amount shall be payable by Tenant to Landlord pursuant to the Reimbursement Procedure.

18.3.6 Default.

If Tenant fails or refuses to maintain insurance as required in this Lease, or fails to provide proof of insurance, and such failure is not cured within 10 days following written notice thereof to Tenant, Landlord has the right to declare this Lease in default without further notice to Tenant, and Landlord shall be entitled to exercise all legal remedies.

18.3.7 No Limit on Liability.

The procuring of such required policies of insurance shall not be construed to limit Tenant's liability hereunder, nor to fulfill the indemnification provisions and requirements of this Lease.

18.3.8 Compliance with Insurance Requirements.

Tenant agrees not to use the Premises in any manner that will result in the cancellation of any insurance Landlord may have on the Premises or on adjacent premises, or that will cause cancellation of any other insurance coverage for the Premises or adjacent premises, notwithstanding that such use may be included within the Permitted Use. Tenant further agrees not to keep on the Premises or permit to be kept, used, or sold thereon, anything prohibited by any fire or other insurance policy covering the Premises. Tenant shall, at its sole expense, comply with all reasonable requirements for maintaining fire and other insurance coverage on the Premises and represents to Landlord that Tenant will confirm that it is in compliance with such requirements at all times.

18.4 Waiver of Subrogation.

Tenant hereby releases the Landlord Parties from any and all liability or responsibility to Tenant or anyone claiming through or under Tenant by way of subrogation or otherwise for any loss or damage to the Premises, any Improvements, or any of Tenant's personal property or business caused by or arising from a fire or any other event that is covered by the insurance required to be carried pursuant to this Lease or is actually carried, even if such fire or other event shall have been caused by the fault or negligence of any of the Landlord Parties. Each Subtenant similarly releases the Landlord Parties. Tenant, and any Subtenant, shall also obtain an endorsement waiving the insurance company's subrogation rights against the Landlord Parties for any insurance policies required by the terms of this Lease. Tenant and Subtenant shall also defend and indemnify the Landlord Parties in the manner specified in Article 19 in the event any Person asserts such a claim.

18.5 Subtenants to Maintain Insurance.

All Subtenants shall maintain insurance in the amounts required under Section 18.2, which shall comply with the requirements of Section 18.3. In addition, all Subleases shall provide that the Subtenant releases the Landlord Parties pursuant to the requirements of Section 18.4.

19. INDEMNITY

Tenant hereby indemnifies and shall defend the Landlord Parties, at Tenant's sole cost and expense and with counsel reasonably selected by Landlord, and hold the Landlord Parties harmless from any and all claims (including claims under negligence and strict liability), demands, liability, losses, causes of actions and suits of any kind, administrative or judicial proceedings,

orders, judgments, and all Related Costs arising directly or indirectly out of: (a) the performance by Tenant of its obligations under this Lease; (b) the construction of any Improvements or Alterations; (c) any breach by Tenant of its obligations under this Lease; (d) any accident, injury or damage whatsoever caused to any Person or the property of any Person on or about the Premises, and (e) the use, occupancy, possession or operation of the Premises by any Tenant Party or any acts or omissions of any Tenant Party, excepting only claims or litigation arising through the sole negligence or sole willful misconduct of Landlord (but subject to Section 18.4). Landlord, at its election in its sole and absolute discretion, may conduct its own defense with its own counsel independent from Tenant's counsel (and in that event Tenant will select its own counsel) and the reasonable costs incurred by Landlord in such defense shall be covered by the foregoing indemnification, hold harmless and defense obligations and be subject to immediate payment once incurred. The terms of this Article 19 shall survive the expiration or earlier termination of this Lease. The foregoing indemnity obligations of Tenant are in addition to, and not in limitation of, any other indemnity obligations of Tenant contained in this Lease or otherwise.

20. DAMAGE OR DESTRUCTION

20.1 Casualty.

In the event of any damage to or destruction of any Improvements, whether or not from a risk coverable by the insurance described in Section 18.2. Tenant shall promptly repair and restore such Improvements, in a manner approved in writing by Landlord and taking into account the historic designation and character of the Existing Improvements, so that after such restoration and repair, the Improvements are at least as valuable and usable as immediately prior to such damage or destruction. Tenant shall be entitled to have any insurance policy proceeds held in trust with the Permitted Lender or other trustee selected pursuant to Section 18.2.3 disbursed as progress payments as the work of repair, restoration or replacement progresses, to be used solely for paying for such work; and upon completion of such work free and clear of liens, if required by the terms of the Permitted Encumbrance any remaining balance of any insurance proceeds shall be paid first to the Permitted Lender to the Permitted Encumbrance, and thereafter, if the Permitted Lender permits or requires by the terms of the Permitted Encumbrance, to Tenant. If the Permitted Lender is the trustee, the Permitted Lender may disburse the progress payments in accordance with its normal disbursement procedures (e.g., upon receipt of appropriate mechanic's lien releases, invoices, etc.) so long as such disbursement procedures are reasonably satisfactory to Landlord and ensure that the proceeds of insurance are applied to the costs of repairing or replacing the Improvements. To the extent that the insurance proceeds are insufficient to pay for the costs of repairing the damaged Improvements, Tenant shall pay such deficiency to the trustee for application to the restoration costs on or before the earlier to occur of (a) 60 days from the date of such damage or destruction, or (b) the date the insurer first makes available such insurance proceeds for repair, restoration or replacement. In the event Tenant or the Permitted Lender fails to commence to repair, restore or replace the damaged Improvements (including without limitation, engaging architects and engineers to prepare plans and specifications for the restoration), or pursue any permits necessary to repair, restore or replace the damaged Improvements, within 90 days of such damage or destruction or to diligently prosecute such work to completion, Tenant shall be deemed to be in default hereunder upon written notice thereof from Landlord to Tenant and, in addition to any other remedies, Landlord shall be entitled to receive and retain such insurance proceeds to apply them to the repair, restoration and replacement of the Improvements. The provisions of Article 6 and Article 7 shall apply to all work performed pursuant to this Article. Notwithstanding the foregoing, if Tenant and the Permitted Lender are not able to obtain sufficient insurance proceeds (in the case of an insured casualty) or construction funds (in the case of an uninsured casualty) to commence repair,

restoration or replacement of the damaged Improvements within 90 days of such damage or destruction, and in the case of an insured casualty, Tenant and the Permitted Lender have used their best efforts to so obtain such insurance proceeds, or in the case of an uninsured casualty, Tenant and the Permitted Lender have used their best efforts to obtain sufficient construction funds, then Tenant and the Permitted Lender shall have such additional time as is necessary to obtain such insurance proceeds or construction funds (but in no event to exceed 180 days from the date of such damage or destruction) in which to commence to repair, restore or replace the damaged Improvements.

20.2 Casualty During the Last Part of Term.

Notwithstanding Section 20.1 to the contrary, if there is damage or destruction to the Improvements during the last five years of the Term (including all exercised options) and the cost of repairing said damage or destruction exceeds the cost of demolishing and removing the remaining Improvements as determined by the Preservation and Remediation Report, then Tenant shall have the option to terminate this Lease, subject to Tenant's satisfaction of all of the following requirements: (a) Tenant shall, within 90 days after the date of the casualty, give Landlord written notice of its election to terminate ("**Notice of Election to Terminate**"); and (b) Tenant shall, at the election of Landlord (which election shall be communicated in writing to Tenant ("**Demolition Notice**") within 30 days of Landlord's receipt of the Notice of Election to Terminate), raze and remove the damaged or destroyed Improvements and any other Improvements that Landlord may designate in the Demolition Notice and, if applicable, remediate the Premises, and shall complete said demolition, removal and remediation and shall vacate the Premises within 90 days of Landlord's delivery of the Demolition Notice (which vacation date shall fix the termination date of this Lease). Any and all property damage insurance proceeds (exclusive of any proceeds applicable to Tenant's personal property that would be retained by Tenant at the end of the Term) paid as a result of the damage or destruction giving rise to the termination, shall be distributed in accordance with the following order of priority: first, to the payment of the costs to raze and remove the Improvements as required above, second, to repayment of any outstanding Permitted Encumbrance, if required by the terms thereof; and third, to Landlord all remaining insurance proceeds.

20.3 No Rental Abatement.

Tenant shall not be entitled to any abatement or reduction in the Rent during any period of time that any Improvements located on the Premises are in need of repair, restoration or replacement or are under construction for such repairs, restoration or replacements or any other period of time during the Term of this Lease.

20.4 Waiver of Statutory Provisions.

The provisions of this Lease, including this Article 20, constitute an express agreement between Landlord and Tenant with respect to any and all damage to, or destruction of, all or any part of the Premises or Improvements, or any other portion thereof, and any California statute or regulation, now or hereafter in effect, regarding the rights or obligations of a tenant concerning damage or destruction following a casualty event are waived and shall have no application to this Lease or any damage or destruction to all or any part of the Premises or Improvements as a result of a casualty event.

21. HAZARDOUS MATERIALS

21.1 Hazardous Materials.

21.1.1 Tenant Use of Hazardous Materials.

Tenant shall not cause or permit any Hazardous Material, or products or materials which include any hazardous substance as a component to be generated, brought onto, used, stored, emitted, released or disposed of in or about the Premises or Improvements (collectively and individually, a "**Hazardous Materials Activity**") by Tenant or its agents, whether by a Tenant Party or any other Person unless expressly approved, at Landlord's reasonable discretion, in writing by Landlord after submittal by Tenant of Material Safety Data Sheets ("**MSDS**") or other information requested by Landlord regarding the Hazardous Material. Approval by Landlord of any Hazardous Materials Activity shall not create or impose any liability or obligation on Landlord with respect to such Hazardous Material or Hazardous Materials Activity and Tenant assumes all liability and obligations related thereto. All Hazardous Materials Activity shall be in strict compliance with all applicable Laws and other requirements in effect during the Term, including, without limitation, Laws and requirements that regulate Hazardous Materials or otherwise relate to public health and safety or the protection of the environment ("**Environmental Laws**") and shall comply at all times with all Environmental Laws.

21.1.2 Notice of Release or Investigation.

If Tenant becomes aware of (a) any actual or threatened release of any Hazardous Material on, in, under, from, or about the Premises or (b) any notice, inquiry, investigation, proceeding, or claim by any government agency or other Person regarding the presence of any Hazardous Material on, in, under, from or about the Premises (collectively "**Inquiry**"), Tenant shall promptly upon learning of or reasonably suspecting that a release of Hazardous Materials has occurred on, in, under or about the Premises, provide verbal notice of the same to Landlord, and give Landlord written notice of the release or Inquiry within 24 hours after Tenant learns or first has reason to believe there has been a release or Inquiry and shall simultaneously furnish to Landlord copies of any written notices of inquiry or investigation, claims, notices of violation, reports, warning or other writings received by Tenant that concern the release or Inquiry. Tenant shall make reasonable efforts to provide Landlord with advance written notice of meetings scheduled with any federal, state or local government agency (such as, but not limited to, the United States Environmental Protection Agency, the Regional Water Quality Control Board, Department of Toxic Substances Control or Air Resources Board) ("**government agency**") that may be relevant to or potentially impact the Premises at least 10 full business days prior to such meeting or as soon as reasonably possible if the government agency schedules the meeting for less than 10 business days from the date the meeting is proposed. Landlord shall be entitled to have its representatives attend and participate in any and all such meetings. If the government agency brings up the Premises in any other scheduled meeting, Tenant shall suggest that a separate meeting should be scheduled so that Landlord can participate.

21.1.3 Landlord Right to Inspect and Data.

If Hazardous Materials Activity has occurred during the Term or is ongoing, Landlord or its designated representatives, at Landlord's sole discretion, may, but is no way obligated to, enter upon the Premises and make any inspections, tests or measurements Landlord deems necessary or desirable to determine if a release or discharge of Hazardous Materials has occurred. Landlord shall furnish a minimum of 24¹ hours prior notice toto conducting any inspections or tests, unless,

in Landlord's reasonable judgment, circumstances require otherwise, and, taking into account the nature of the inspection or test, Landlord shall, and shall cause each such representative(s) to: (a) comply with all applicable and reasonable security and safety procedures of Tenant of which Tenant informs Landlord in writing and with which Landlord and such representative(s) can reasonably comply, and (b) use commercially reasonable efforts to minimize any interference with Tenant's operation and use of the Premises and the Improvements while on the Premises.). If Landlord reasonably suspects a possible release of Hazardous Materials or a use of Hazardous Materials in violation of Environmental Law, then Landlord, at Landlord's sole discretion, may require Tenant, at Tenant's sole expense, to have additional investigation for such Hazardous Materials conducted by an environmental consultant or engineering firm designated by Landlord. Such tests may include, without limitation, the Premises and any area outside the Premises that Landlord reasonably believes may have been contaminated by a release or discharge at or from the Premises, including but not limited to soil, subsoil media, surface water, sediments, and groundwater. Tenant shall provide Landlord, as soon as reasonable after they become available to Tenant, access to all information reports and data obtained, generated or learned as a result of sampling or testing activities on the Premises, including raw and verified lab data and consultant reports. Landlord shall be permitted to have representatives present during any sampling or testing on or at the Premises or outside of the Premises, and may obtain split samples, if requested, copies of the results of on-site testing and visual inspections, and complete access to all samples and tests taken or conducted as a result of any investigations of the Premises. Access to any consultant reports issued by or on behalf of Tenant concerning the Premises shall be furnished to Landlord as soon as reasonable after the reports are finalized. Any environmental reports issued by or on behalf of Tenant regarding the Premises or Hazardous Material Activities related thereto shall first be generated in draft form and furnished to Landlord for review and comment. No such report will be made final until Landlord has had reasonable opportunity to review the draft and to identify any factual inaccuracies therein. Landlord's failure to inspect, test or take other actions pursuant to this Section 21.1.3 shall in no way relieve Tenant of any responsibility for a release of a Hazardous Material.

21.1.4 Clean-up Obligations.

If Hazardous Materials Activity, Tenant Hazardous Material, or Pre-Existing Hazardous Material has resulted or does result in contamination of the Premises and/or the Improvements, any adjacent or nearby property, the San Diego Bay or any soil, subsoil media, surface water, sediments, or groundwater, Tenant shall promptly take all necessary actions, at Tenant's sole expense, to investigate, remove or remediate such Hazardous Materials in compliance with all Environmental Laws and in a manner and with results satisfactory to Landlord in Landlord's good faith discretion ("**Environmental Cleanup**"). For purposes of the definition of "Environmental Cleanup" in this Lease, Landlord shall not impose numeric Hazardous Material cleanup levels for the Premises that are more stringent than numeric cleanup levels for the Premises that are prescribed by the San Diego Regional Water Quality Control Board or other regulatory agency acting within its jurisdiction, but Landlord reserves reasonable, good faith discretion regarding the means and methods of any removal or remediation of Hazardous Materials, taking into account the reasonably anticipated future public trust uses of the Premises as set forth in and consistent with the California Harbors & Navigation Code, including without limitation Harbors & Navigation Code App. 1 §§ 4, 87, and the Port Master Plan (as they each may be amended in the future). Moreover, notwithstanding anything to the contrary in this Lease, Landlord's discretion over the means and methods of any removal or remediation of Hazardous Materials pursuant to this subsection shall be governed exclusively by this Section 21.1.4, but solely as to the extent of the removal or remediation of Hazardous Materials and not as to any other proposed Alterations or Improvements. Tenant shall provide notice to Landlord prior to performing any removal or

remedial action. In the event that an Environmental Cleanup conducted by or required of Tenant interferes with the current or future use of the Premises or other property of Landlord, Tenant shall promptly alter or amend the Environmental Cleanup (whether such is completed or not and regardless of the time period elapsed between the clean-up activities and Landlord's request to alter the Environmental Cleanup because of the interference), upon written notice from Landlord, as necessary to prevent and/or eliminate such interference. Tenant shall not propose, and Landlord is under no obligation to agree to, any covenant or use restriction or other institutional controls as part of any removal or remediation required as a result of this Section 21.1.4. Unless otherwise agreed in writing by Landlord, an Environmental Cleanup required under this Section shall avoid and not include the use of restrictive covenants or other institutional controls. To the extent Landlord incurs any costs or expenses in performing Tenant's obligation to conduct an Environmental Cleanup which is Tenant's obligation under this Lease or under Environmental Law, Tenant shall reimburse Landlord for all such reasonable costs and expenses in accordance with the Reimbursement Procedure. This provision does not limit the indemnification obligation set forth in Article 19 above and Section 21.2 below. Nothing in this Section 21.1.4 is intended to nor does it amend, modify, or otherwise limit or affect Tenant's obligations or Landlord's rights under any other section of this Lease.

21.1.5 Clean-up Extending Beyond the Term.

Should any Environmental Cleanup of Hazardous Materials for which Tenant is responsible not be completed prior to the expiration or sooner termination of this Lease, then: (a) Tenant shall deposit with Landlord (or if the parties agree in their sole discretion, into a third-party escrow) an amount of money equal to the balance of the estimated costs of the Environmental Cleanup for disbursement for such Environmental Cleanup costs, and (b) if the nature of the contamination or Environmental Cleanup required of Tenant is of such a nature as to make any portion of the Premises untenable or unleaseable, then Tenant shall be liable to Landlord as a holdover Tenant until the Environmental Cleanup has been sufficiently completed to render the Premises in full compliance with all Environmental Laws and to make the Premises suitable, in Landlord's good faith determination, for lease to third parties. The estimated cost of the Environmental Cleanup shall require the reasonable approval of the Landlord. Landlord shall release funds from such deposit from time to time to pay for such Environmental Cleanup costs incurred with Landlord's approval. To the extent Landlord estimates, at any time, that the funds remaining on deposit may not be sufficient to cover all remaining anticipated Environmental Cleanup costs, then Tenant shall deposit, within 30 days of Landlord's written demand therefor, such additional funds with Landlord as Landlord may estimate at such time may be required to complete the Environmental Cleanup.

21.1.6 Financial Security.

If Landlord determines, in its reasonable discretion, that Tenant does not have insurance or other financial resources sufficient to enable Tenant to fulfill its obligations under this Article 21 whether or not accrued, liquidated, conditional, or contingent, then Tenant shall, at the request of Landlord, procure and thereafter maintain in full force and effect such environmental impairment liability and/or pollution liability insurance policies and endorsements, or shall otherwise provide such collateral or security reasonably acceptable to Landlord as is appropriate to assure that Tenant will be able to perform its duties and obligations hereunder.

21.2 Hazardous Materials Indemnification.

Tenant hereby assumes for itself and shall indemnify and defend Landlord Parties, at Tenant's

sole cost and expense and with counsel reasonably selected by Landlord, and hold the Landlord Parties harmless from any and all claims, demands, liability, losses, causes of actions and suits of any kind, administrative or judicial proceedings, orders, (judicial or administrative), judgments, and all Related Costs (whether or not based upon personal injury, negligence, strict liability, property damage, or contamination of, or adverse effects upon, the environment (including waters, sediment, and/or natural resources), including any loss of or damage to Landlord's real or personal property, and claims for cost recovery and contribution), which occur or arise during or after the Term relating to, or resulting from, any Hazardous Materials Activity, Tenant Hazardous Material or any Pre-Existing Hazardous Material or any breach by Tenant under this Article 21. Tenant's obligations under Article 21 (including the indemnification of Landlord by Tenant under this section) include, without limitation, any Environmental Cleanup required by this Lease, costs incurred in connection with any investigation of site conditions or any cleanup, treatment, remedial, removal, or restoration work required by this Lease or any federal, state or local governmental agency because of Hazardous Materials present in the air, soil, subsoil media, surface water, sediments or ground water above, on, or under the Premises consistent with Tenant's obligations set forth in this Lease. The obligations apply whether or not the concentrations of any such Hazardous Materials is material, the concentrations exceed state or federal maximum contaminant or action levels, or any government agency has issued a clean-up or other order. Landlord shall have a direct right of action against Tenant even if no third party has asserted a claim. Furthermore, Landlord shall have the right to assign said indemnity and Environmental Cleanup requirements under Article 21. This indemnification and Environmental Cleanup requirements under Article 21 shall include, but is not necessary limited to:

- (a) Losses attributable to diminution in the value of the Premises;
- (b) Losses of rental or other income from the Premises;
- (c) Loss of or damage to natural resources;
- (d) Loss or restriction of use of rentable space(s) in the Premises;
- (e) Adverse effect on the marketing of any space(s) in the Premises
- (f) all other liabilities, obligations, penalties, fines, claims, actions (including remedial or enforcement or cost recovery or contribution actions of any kind and administrative or judicial proceedings, orders, or judgments), damages (including consequential and/or punitive damages), and reasonable costs (including attorney, consultant, and expert fees and expenses); and
- (g) Related Costs (including, without limitation, reasonable attorneys' fees, consulting fees and subcontracted costs) actually incurred by Landlord in undertaking any assessment or remediation of the Premises that is not fully resolved by Tenant by the time this Lease terminates or expires.

21.3 Termination of Lease.

Upon the expiration or earlier termination of the Term, Tenant shall: (a) cause all Tenant Hazardous Material and Pre-Existing Hazardous Material to be removed from the Premises and disposed of in accordance with all applicable provisions of Environmental Law; (b) remove any underground or aboveground storage tanks or other containers installed or used by Tenant or its predecessors to store any Hazardous Material on the Premises, and repair any damage to the Premises caused by such removal; (c) cause any soil, subsoil media, surface waters, sediments, groundwater or other portion of the Premises which has become contaminated by any Hazardous Material to be decontaminated, detoxified, or otherwise cleaned-up in accordance with the

applicable requirements of any relevant government authorities; and (d) surrender possession of the Premises to Landlord free of any Tenant Hazardous Material and Pre-Existing Hazardous Material.

21.4 Storage Tanks.

21.4.1 Storage Tanks.

No underground storage tanks ("**USTs**") or aboveground storage tanks ("**ASTs**") shall be permitted to be installed on or under the Premises without the prior written consent of Landlord in its sole and absolute discretion. In the event Tenant obtains such approval to install a UST or a AST on or under the Premises, Tenant shall be responsible for complying with all Laws pertaining to such UST or AST, including tank monitoring of such UST or AST as required by the County of San Diego Hazardous Material Management Division ("**HMMD**") or any other responsible agency. Tenant further agrees to take sole responsibility for reporting unauthorized releases from UST to HMMD and Landlord within 24 hours of such unauthorized release. Tenant will be responsible for all fees and costs related to the unauthorized release of any Hazardous Material or any required Environmental Cleanup from any such UST or AST installed during the Term including, but not limited to, investigative, surface and groundwater clean-up, and expert and agency fees. Tenant shall maintain evidence of financial responsibility for taking corrective action and for compensating third parties for bodily injury and/or property damage caused by a release from a UST or an AST. Tenant further agrees to be responsible for maintenance and repair of the USTs and ASTs to the extent so installed during the Term; obtaining tank permits; filing a business plan with HMMD or other responsible agency; and for paying for all regulatory agency fees relating to USTs and ASTs.

21.4.2 Records.

Tenant agrees to keep complete and accurate records regarding USTs and ASTs on the Premises to the extent installed during the Term for at least the prior three years period including, but not limited to, records relating to permit applications, monitoring, testing, equipment installation, repairing and closure of the USTs and ASTs, and any unauthorized releases of Hazardous Materials. Tenant also agrees to make such records available for Landlord or responsible agency inspection. Tenant further agrees to include a copy of Health and Safety Code, Chapter 6.7, Section 25299, as part of any agreement between Tenant and any operator of USTs or ASTs.

21.4.3 Aboveground Storage Tanks.

In the event Tenant obtains such approval to install an AST, Tenant shall be responsible for complying with all Laws pertaining to such AST. Tenant shall, in accordance with this Lease and applicable Laws, secure and pay for all necessary permits and approvals, prepare a spill prevention control counter measure plan and conduct periodic inspections to ensure compliance therewith. In addition, Tenant shall maintain and repair said tanks to conform and comply with all other applicable Laws for ASTs, including without limitation all of the requirements of Health & Safety Code, Chapter 6.67, Sections 25270 through 25270.13 as presently existing or as hereinafter amended, including without limitation conducting daily visual inspection of said tanks, allowing the San Diego Regional Water Quality Control Board ("**SDRWQCB**"), Landlord, and/or responsible agency, to conduct periodic inspections. Tenant also shall comply with valid orders of the SDRWQCB, filing the required storage tank statement and payment of the fee therefor, establishing and maintaining the required monitoring program and systems, reporting spills as

required, and payment of lawfully imposed penalties as provided therein and as otherwise provided by Law.

21.5 Environmental Covenants.

21.5.1 Regulated Waste Removal.

Tenant hereby acknowledges that excavation of soils, including sediment, from the Premises could result in exportation of a regulated waste requiring appropriate characterization, handling, transport and disposal (together "**Regulated Waste Removal**"). Landlord takes no responsibility and assumes no liability whatsoever for Regulated Waste Removal. Accordingly, Tenant hereby waives any claim, or potential claim, it may have to recover costs or expenses arising out of or associated with Regulated Waste Removal and agrees to indemnify, defend and hold harmless the Landlord Parties from and against any and all claims (including under negligence or strict liability), liabilities, losses, damages, costs, and expenses arising from, out of, or in any way related to Regulated Waste Removal, except only claims or litigation arising through the sole gross negligence or sole willful misconduct of Landlord.

21.5.2 Residual Hazardous Materials.

Landlord shall have no liability or responsibility for ensuring that Tenant's workers, including without limitation those conducting testing, construction and maintenance activities on the Premises, are protected from residual contaminants in 29 Code of Federal Regulations ("**CFR**"). Tenant shall assess all human health risks from vapor transport or direct contact with residual hazardous substances or contaminants and incorporate such engineering and institutional controls as may be required to sufficiently protect human health of onsite workers and transient visitors. Tenant hereby waives any claim, or potential claim, it may have to recover any damages, losses, Related Costs related to worker exposure or alleged exposure to any residual onsite contamination and to indemnify, defend and hold harmless the Landlord Parties from and against any and all such Related Costs, claims (including under negligence or strict liability), liabilities, losses and damages, except only claims or litigation arising through the sole gross negligence or sole willful misconduct of Landlord.

21.5.3 Covenant Not To Sue and Release of Landlord.

Tenant hereby RELEASES the Landlord Parties from, COVENANTS NOT TO SUE the Landlord Parties for, and agrees not to seek to have any regulatory agency or third party impose liability upon or seek damages or costs from Landlord for or related to, any contamination or violation of Environmental Laws existing at or arising from the Premises and ASSUMES FOR ITSELF (as between Tenant and Landlord Parties) all obligations, requirements and liabilities of Tenant under this Article 21, including for claims for contribution, equitable indemnity or otherwise seeking to transfer or limit the obligations, requirements and liabilities of Tenant under this Article 21, With respect to all releases made by Tenant under or pursuant to this Article 21, Tenant hereby waives the application and benefits of California Civil Code § 1542 and hereby verifies that it has read and understands the provision of California Civil Code § 1542 set forth in Article 22 below.

21.6 Survival.

The terms of this Article 21 shall survive the expiration or earlier termination of this Lease.

22. "AS-IS" LEASE AND WAIVERS

22.1 Tenant's Acknowledgment.

Tenant acknowledges that prior to entering into this Lease, Landlord has provided the disclosure required under California Health and Safety Code § 25359.7, as set forth in the Environmental Disclosure Addendum attached to this Lease as Exhibit I, which is incorporated herein by reference, and has given Tenant sufficient opportunity to consider, inspect and review, to Tenant's complete satisfaction: (a) any and all rights, appurtenances, entitlements, obligations, and liabilities concerning the Premises; (b) the physical condition of the Premises, including, without limitation, the condition and value of any Improvements and the soils, subsoil media, sediments, surface waters and groundwaters at or under the Premises; (c) the risk of climate change and the possible adverse consequences thereof, including, without limitation, rises in sea level and possible damage to and destruction of the Premises; (d) the development potential of the Premises including without limitation on the preceding clause (c) the effect of all Laws, including, without limitation, those concerning land use, environmental quality and maintenance, endangered species, and traffic regulation; (e) the financial prospects of the Premises and local market conditions; (f) Tenant's determination of the feasibility of Tenant's intended use and enjoyment of the Premises; (g) the presence of any Pre-Existing Hazardous Material and any other contamination of the Premises, including the contamination of any Improvements, soils, subsoil media, groundwater and San Diego Bay water and sediment; and (h) all other facts, circumstances, and conditions affecting, concerning or relating to the Premises. The land use; the environmental, biological, physical and legal condition of the Premises; the risks associated with possible climate change; the feasibility of Tenant's intended use and enjoyment of the Premises; and such other facts, circumstances and conditions being collectively referred to herein as the "**Condition of the Premises**"; and, without limitation on any other provision of this Lease, Tenant expressly assumes the risk that adverse conditions affecting the Premises have not been revealed by Tenant's investigations.

22.2 Only Landlord's Express Written Agreements Binding.

Tenant acknowledges and agrees that no Person acting on behalf of Landlord is authorized to make, and that except as expressly set forth in this Lease, neither Landlord nor anyone acting for or on behalf of Landlord has made, any representation, warranty, statement, guaranty or promise to Tenant, or to anyone acting for or on behalf of Tenant, concerning the Condition of the Premises or any other aspect of the Premises. Tenant further acknowledges and agrees that no representation, warranty, agreement, statement, guaranty or promise, if any, made by any Person for or acting on behalf of Landlord which is not expressly set forth in this Lease will be valid or binding on Landlord.

22.3 As-Is Lease.

Tenant further acknowledges and agrees that Tenant's execution of this Lease shall constitute Tenant's representation, warranty and agreement that the Condition of the Premises has been independently verified by Tenant to its full satisfaction, and that, except to the extent of the express covenants of Landlord set forth in this Lease, Tenant will be leasing the Premises based solely upon and in reliance on its own inspections, evaluations, analyses and conclusions, or those of Tenant's representatives; and that **TENANT IS LEASING THE PREMISES IN ITS "AS-IS, WITH ALL FAULTS" CONDITION AND STATE OF REPAIR INCLUSIVE OF ALL FAULTS AND DEFECTS, WHETHER KNOWN OR UNKNOWN, AS MAY EXIST AS OF TENANT'S EXECUTION OF THIS LEASE.** Without limiting the scope or generality of the foregoing, Tenant

expressly assumes the risk that the Premises do not or will not comply with any Laws now or hereafter in effect.

22.4 Waivers, Disclaimers and Indemnity.

22.4.1 Waiver and Disclaimer.

Tenant hereby fully and forever waives, and Landlord hereby fully and forever disclaims, all warranties of whatever type or kind with respect to the Premises, whether expressed, implied or otherwise including, without limitation, those of fitness for a particular purpose, tenantability, habitability or use.

22.4.2 Landlord's Materials.

Tenant further acknowledges that any information and reports including, without limitation, any engineering reports, architectural reports, feasibility reports, marketing reports, soils reports, environmental reports, analyses or data, or other similar reports, analyses, data or information of whatever type or kind which Tenant has received or may hereafter receive from Landlord Parties or its agents or consultants (collectively the "**Landlord's Materials**") have been furnished without warranty of any kind and on the express condition that Tenant will make its own independent verification of the accuracy, reliability and completeness of such Landlord's Materials and that Tenant will not rely thereon. Accordingly, subject to terms of Section 22.4.3 below, Tenant agrees that under no circumstances will it make any claim against, bring any action, cause of action or proceeding against, or assert any liability upon, Landlord Parties or any of the persons or entities who prepared or furnished any of the Landlord's Materials as a result of the inaccuracy, unreliability or incompleteness of, or any defect or mistake in, any such Landlord's Materials and Tenant hereby fully and forever releases, acquits and discharges Landlord Parties and each Person furnishing such Landlord's Materials of and from, any such claims, actions, causes of action, proceedings or liability, whether known or unknown.

22.4.3 Release and Waiver.

(a) *Release.* Except to the extent of Claims (as defined below) against Landlord arising from any breach by Landlord of its covenants and obligations expressly provided in this Lease, Tenant, on behalf of Tenant, each Tenant Party and their respective successors and assigns, hereby fully and forever releases, acquits and discharges Landlord of and from, and hereby fully, and forever waives and agrees not to assert or seek to have any third party or regulatory agency assert, any and all claims, actions, causes of action, suits, proceedings, demands, rights, damages, Related Costs, losses, judgments, provisional relief, fines, penalties, and fees, including, without limitation, any and all claims for compensation, reimbursement, or contribution whatsoever (individually and collectively, "**Claims**"), whether known or unknown, direct or indirect, foreseeable or unforeseeable, absolute or contingent, that any Tenant Party or any of Tenant's successors or assigns now has or may have or which may arise or be asserted in the future arising out of, directly or indirectly, or in any way connected with: (i) any act or omission of Landlord (or any Person acting for or on behalf of Landlord or for whose conduct Landlord may be liable), whether or not such act be the active, passive or sole negligence of Landlord, in connection with prior ownership, maintenance, operation or use of the Premises; (ii) any condition of environmental contamination or pollution at the Premises (including, without limitation, any Pre-Existing Hazardous Material or other contamination or pollution of any soils, subsoil media, sediments, surface waters or ground waters at the Premises and any cleanup or

abatement order effecting the Premises); (iii) to the extent not already included in clause (ii) above, the prior, present or future existence, release or discharge, or threatened release, of any Hazardous Materials at the Premises, (including, without limitation, the release or discharge, or threatened release, of any Hazardous Materials into the air at the Premises or into any soils, subsoil media, sediments, surface waters or groundwaters at or under the Premises); (iv) the violation of, or noncompliance with, any Environmental Law or other applicable Law now or hereafter in effect, however and whenever occurring; (v) the condition of the soil at the Premises; (vi) the Condition of the Premises, including, without limitation, the condition of any Improvements including, without limitation, the structural integrity and seismic compliance of such Improvements; (vii) any matters which would be shown on an accurate ALTA land survey of the Premises (including, without limitation, all existing easements and encroachments, if any) and/or via an inspection of the Premises; (viii) all applicable Laws now or hereafter in effect; (ix) matters which would be apparent from a visual inspection of the Premises; or (x) to the extent not already covered by any of the foregoing clauses (i) through (ix) above, the use, maintenance, development, construction, ownership or operation of the Premises by Landlord or any predecessor(s)-in-interest in the Premises of Landlord.

(b) *Waiver of Civil Code Section 1542.* With respect to all releases made by Tenant under or pursuant to Article 21 and Article 22, Tenant hereby waives the application and benefits of California Civil Code § 1542 and hereby verifies that it has read and understands the following provision of California Civil Code § 1542:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, AND THAT IF KNOWN BY HIM OR HER WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR THE RELEASED PARTY.”

TENANT: _____

22.4.4 Survival.

The terms of this Article 22 shall survive the expiration or earlier termination of this Lease.

23. QUITCLAIM OF TENANT'S INTEREST UPON TERMINATION

Subject to the terms of this Article 23 and Article 7, upon the expiration or earlier termination of the Lease, all Improvements, excluding trade fixtures, shall become the property of Landlord and a part of the realty and shall be surrendered to Landlord. In order to confirm such transfer of ownership, at Landlord's request following the expiration or earlier termination of the Lease, Tenant shall deliver to Landlord a Tenant-executed quitclaim deed in recordable form conveying the Improvements to Landlord free and clear of any mechanic's or materialmen's liens and other encumbrances. In the event Tenant fails to comply with this Article 23 within 30 days of written demand from Landlord, and without limitation of the foregoing, Tenant hereby appoints Landlord as Tenant's attorney in fact to execute such deed in the name and on behalf of Tenant and to record the same in the official records of San Diego County, California. In the event this power of attorney becomes effective, it is irrevocable and coupled with an interest.

24. PEACEABLE SURRENDER

Upon expiration of this Lease or earlier termination thereof, Tenant shall peaceably surrender the Premises to Landlord in a broom clean condition with all refuse removed and in as good condition and repair as the Premises were as of the Effective Date except for reasonable wear and tear and except for as the Premises may have been rebuilt, restored, altered, or added to as permitted or required by the provisions of this Lease. Notwithstanding the foregoing, Tenant shall leave or remove such Improvements as required by this Lease and surrender the Premises in the condition required under this Lease. For purposes hereof, those Improvements that require periodic replacements as part of Tenant's maintenance obligations under this Lease and that are of a "capital" nature and/or are considered capital replacements under generally accepted accounting principles, shall be considered in the condition required by this Lease under this Section 24 so long as such Improvements have no less than 50% useful life remaining.

If Tenant fails to surrender the Premises at the expiration of this Lease or the earlier termination or cancellation thereof in the condition required under this Lease, in addition to Landlord's other remedies, Tenant shall defend and indemnify Landlord from all liability and expense resulting from the delay or failure to surrender, including without limitation any succeeding tenant claims based on Tenant's failure to surrender or Landlord's failure to deliver the Premises.

25. WAIVER

No waiver of any provision of this Lease shall be implied by any failure of a party to enforce any remedy on account of the violation of such provision, even if such violation shall continue or be repeated subsequently. Any waiver by a party of any provision of this Lease may only be in writing, and no express waiver shall affect any provision other than the one specified in such waiver and that one only for the time and in the manner specifically stated. No receipt of monies by Landlord from Tenant after the termination of this Lease shall in any way alter the length of the Term or of Tenant's right of possession hereunder or after the giving of any notice shall reinstate, continue or extend the Term or affect any notice given Tenant prior to the receipt of such monies, it being agreed that after the service of notice or the commencement of a suit or after final judgment for possession of the Premises, Landlord may receive and collect any Rent due, and the payment of said Rent shall not waive or affect said notice, suit or judgment. The Landlord shall have the power and authority to waive any obligation of Tenant under this Lease except as such authority may be limited by the Port Act or BPC from time to time; provided, however, Landlord may elect to obtain approval of the BPC as a condition to exercising this authority.

26. HOLDOVER

This Lease shall terminate without further notice at expiration of the Term. Any holding over by Tenant after either expiration or termination without Landlord's written consent shall be a tenancy-at-sufferance upon all of the provisions of this Lease, except those pertaining to the Term, and except that Percentage Rent shall be 150% of the Percentage Rent in effect prior to the expiration or termination. If Tenant, with Landlord's consent, remains in possession of the Premises after Lease expiration or termination, such possession shall be deemed a month-to-month tenancy terminable upon 30 days' notice furnished at any time by either party to the other. All provisions of this Lease, except those pertaining to the Term, shall apply to the month-to-month tenancy, and Tenant shall continue to pay all Rent required by this Lease. Notwithstanding anything herein to the contrary, in no event may the Term, together with any holdover period, exceed 66 years.

27. NOTICES

All notices provided for by this Lease or by Law to be given or served upon Landlord or Tenant shall be addressed as provided in Section 1.8 (as such address may have been changed by subsequent notice given to the other party) and shall be in writing and: (a) personally served upon Landlord or Tenant, or any Person hereafter authorized by either party in writing to receive such notice; (b) delivered via reputable over-night courier service; (c) delivered by U.S. postal service certified letter; (d) in the case of a notice to Tenant, via email, in which case (i) the actual notice shall be executed and sent as an attachment to the electronic mail transmission, and the subject line of the electronic mail transmission shall include the words "LEGAL NOTICE" in all capital letters, and (ii) the notice shall be sent via another method permissible under this Article 27.

Any notice or notices given or served as provided herein shall be effectual and binding for all purposes upon the parties so served (including when received via email); provided, however, if served by certified mail, service will be considered completed and binding on the party served 48 hours after deposit in the U.S. Mail.

28. SECURITY DEPOSIT

In the event of a default and Landlord's exercise of the remedy set forth in Section 12.2.4, a security deposit as required by Section 12.2.4 shall be provided to Landlord by Tenant. Any security deposit shall be held by Landlord and used for the purpose of remedying Tenant's defaults under this Lease. If there shall be any default (or such other event) under this Lease, then Landlord shall have the right, but shall not be obligated, to use, apply or retain all or any portion of any security deposit for the payment of any (a) rent or any other sum applicable to such event, or (b) amount Landlord may spend or become obligated to spend, or for the compensation of Landlord for any losses incurred, by reason of such event (including any damage or deficiency arising in connection with the reletting of the Premises). If any portion of a security deposit (in whatever form) is so used or applied, then within three business days after Landlord gives written notice to Tenant of such use or application, Tenant shall increase the Letter of Credit (as defined below) (or deliver to Landlord additional funds, in the case of a cash security deposit) in an amount sufficient to restore such security deposit to the original security deposit amount, and Tenant's failure to do so shall constitute a default under this Lease if such failure is not cured within the notice and cure period set forth in Section 12.1.2 above. Tenant waives any and all rights Tenant may have under Section 1950.7 of the California Civil Code, any successor statute, and all similar provisions of Law, now or hereafter in effect. Tenant agrees that (i) any statutory time frames for the return of a security deposit are superseded by the express period identified in this Article 28, and (ii) Landlord may claim from a security deposit any and all sums expressly identified in this Article 28, and any additional sums reasonably necessary to compensate Landlord for any and all losses or damages caused by Tenant's default of this Lease, including, but not limited to, all damages or Rent due upon termination of this Lease pursuant to Section 1951.2 of the California Civil Code. Landlord shall not be required to keep any security deposit in trust, segregate it or keep it separate from Landlord's general funds, and Tenant shall not be entitled to interest on the security deposit.

28.1 Letter of Credit.

Except as provided below, any required security deposit shall be in the form of an Irrevocable Stand-By Letter of Credit ("**Letter of Credit**") drawn on a bank having a branch located in San Diego County and having a Moody's Long-Term Letter of Credit rating of single A or higher and a Moody's Long Term Deposit rating of single A or higher. The principal sum shall be made

payable to Landlord or order. Each Letter of Credit provided during the Term shall be valid for a minimum of 12 months from date of issuance. Provided, however, when the remaining Term is one year or less, the Letter of Credit shall be valid for a minimum of three months beyond the Expiration Date of this Lease. If a Letter of Credit is not valid for the entire remaining Term plus three months beyond, then such Letter of Credit shall be extended or renewed at least 90 days prior to its expiration.

All or any portion of the principal sum of the Letter of Credit shall be available unconditionally to Landlord for the purposes and uses provided herein. The bank, and the form and provisions of the Letter of Credit shall be acceptable to the Landlord, in its sole discretion, and if not so acceptable, may be rejected. The Letter of Credit and Drawing Certificate shall not be acceptable if it requires Landlord to send written notice of default or request or demand payment from Tenant after default, prior to Landlord drawing on any funds under the Letter of Credit.

28.2 Cash Alternative.

Notwithstanding the above, if any required security deposit or the cumulative total amount of security deposits required by Landlord under this Lease does not exceed \$25,000, Tenant may elect to provide said security deposit in the form of cash.

28.3 Maintain Through Term.

Tenant shall maintain any required security deposit continuously throughout the Term. Any security deposit or the remaining portion thereof not used or applied by Landlord, shall be rebated, released, assigned, surrendered, or endorsed to Tenant or order, as applicable, within 90 days following the expiration or earlier termination of this Lease.

29. GENERAL PROVISIONS

29.1 Terms; Captions.

The necessary grammatical changes required to make the provisions hereof apply either to corporations, limited liability companies or partnerships or individuals, men or women, as the case may require, shall in all cases be assumed as though in each case fully expressed. The captions of Articles and Sections are for convenience only and shall not be deemed to limit, construe, affect or alter the meaning of such Articles and Sections.

29.2 Binding Effect.

Each of the provisions of this Lease shall extend to and shall, as the case may require, bind or inure to the benefit not only of Landlord and of Tenant, but also of their respective heirs, successors or assigns, provided this clause shall not permit any Assignment by Tenant contrary to the provisions of Article 11.

29.3 No Merger.

If both Landlord's and Tenant's estates in the Premises become vested in the same owner (other than by termination of this Lease following a default hereunder, subject to the rights of a Permitted Lender pursuant to Section 10.3 above), this Lease shall not be terminated by application of the doctrine of merger except at the express election of Landlord and with the consent of any Permitted Lender.

29.4 Recording.

Unless the parties agree otherwise in writing in advance, on or before the Effective Date, Landlord and Tenant shall execute a Memorandum of Lease in the form of Exhibit E attached hereto (the "**Memorandum of Lease**"). At Tenant's option, Tenant shall cause the Memorandum of Lease to be recorded at Tenant's sole cost and Tenant shall be solely responsible for any transfer taxes or fees required to be paid in connection with the recording of the Memorandum of Lease.

29.5 Transfer of Landlord's Interest.

Tenant acknowledges that, subject to the Port Act and the oversight of the California State Lands Commission, Landlord has the right to transfer all or any portion of its interest in the Premises and in this Lease, and Tenant agrees that in the event of any such transfer, Landlord shall automatically be released from all liability under this Lease and Tenant agrees to look solely to such transferee for the performance of Landlord's obligations hereunder after the date of transfer. Each landlord hereunder shall be liable only for those obligations arising during its period of ownership and shall be released from further obligations upon any transfer. The liability of Landlord and any transferee of Landlord shall be limited to their respective interests in the Premises, as the case may be, and Landlord and such transferee shall be without personal liability under this Lease, and Tenant hereby expressly waives and releases such personal liability on behalf of itself and all persons claiming by, through or under Tenant.

29.6 Time of Essence.

Time is of the essence with respect to this Lease and each of its provisions. For purposes of this Lease, a "business day" means any day excluding Saturday, Sunday, and any day which is a legal holiday under the laws of the State of California or is nationally recognized holiday pursuant to Federal Law.

29.7 Partial Invalidity.

If any term, provision or condition contained in this Lease shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such term, provision or condition to persons or circumstances other than those with respect to which it is invalid or unenforceable, shall not be affected thereby, and each and every other term, provision, and condition of this Lease shall be valid and enforceable to the fullest extent possible permitted by Law.

29.8 Entire Agreement.

It is understood and acknowledged that there are no oral agreements between the parties hereto affecting this Lease and this Lease supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the parties hereto with respect to the subject matter hereof. This Lease contains all of the terms, covenants, conditions, warranties and agreements of the parties relating in any manner to the rental, use and occupancy of the Premises, shall be considered to be the only agreement between the parties hereto and their representatives and agents, and none of the terms, covenants, conditions, or provisions of this Lease can be modified, deleted or added to except in writing signed by the parties hereto. All negotiations and oral agreements acceptable to both parties have been merged into and are included herein. There are no other representations or warranties between the parties, and all reliance with respect to representations is based totally upon the representations and agreements

contained in this Lease. However, Tenant acknowledges and agrees that other documents may restrict Tenant's use of the Premises or impose other obligations not specifically referenced in this Lease including, but not limited to, conditions of approval of a CDP or mitigation measures under CEQA.

29.9 Incorporation of Recitals and Exhibits.

The Recitals set forth above are hereby incorporated by reference and deemed a part of this Lease. All Exhibits attached to this Lease are also incorporated by reference and deemed a part hereof.

29.10 Joint and Several.

If there is more than one Person constituting Tenant, then (a) the obligations imposed upon such persons or entities under this Lease shall be joint and several and (b) the act or signature of, or notice from or to, any one or more of them with respect to this Lease shall be binding upon each and all of such persons and entities with the same force and effect as if each and all of them had so acted or signed, or given or received such notice.

29.11 Tenant's Authority.

If Tenant is a corporation, partnership or limited liability company, each individual executing this Lease on behalf of Tenant hereby represents and warrants that Tenant is a duly formed and existing entity qualified to do business in the state in which the Premises is located and that Tenant has full right and authority to execute and deliver this Lease and that each Person signing on behalf of Tenant is authorized to do so.

29.12 Financial and Other Information Supplied by Tenant.

Tenant represents and warrants that any financial or other information supplied by Tenant to Landlord regarding Tenant or any Guarantor prior to entering into the Lease or during the Term or regarding any Transfer, or to Tenant's actual knowledge, regarding any Transferee, is true and accurate in all material respects. The breach of this warranty shall be a default of this Lease by Tenant.

29.13 Attorneys' Fees.

Should any suit or action be commenced to enforce, protect, or establish any right or remedy of any of the terms and conditions hereof, including without limitation a summary action commenced by Landlord under the laws of the state of California relating to the unlawful detention of property, the prevailing party shall be entitled to have and recover from the losing party reasonable attorneys' fees and costs of suit, including, without limitation, any and all costs incurred in enforcing, perfecting and executing such judgment.

29.14 Transaction Costs.

To the extent Tenant requests any approval, consent or other action by Landlord (including, without limitation, in connection with any proposed Alterations, Financing Transaction or Transfer), Tenant shall pay or reimburse Landlord, upon written demand therefor, all of Landlord's reasonable attorneys' fees and other third party costs incurred by Landlord relating to Landlord's review, together with Landlord's then current processing or cost recovery fee for similar

transactions consistent with any schedule of such fees then utilized by Landlord. Landlord will provide Tenant with a copy of any such fee schedule following written request therefor from Tenant. Such costs and fees shall be payable to Landlord whether or not Landlord grants such approval or consent, or undertakes the action requested by Tenant.

29.15 Governing Law.

Venue for any legal proceeding shall be in San Diego County, California. This Lease shall be construed and enforced in accordance with the Laws of the State of California.

29.16 Brokers.

Landlord and Tenant each hereby warrant to each other that neither has retained or employed any real estate broker or agent in connection with the negotiation of this Lease. Tenant shall be solely responsible for the payment of any fee or commission due to any broker and agrees to indemnify and defend and hold Landlord harmless from any and all claims, demands, losses, liabilities, lawsuits and costs and expenses (including without limitation reasonable attorneys' fees) with respect to any leasing commission or equivalent compensation alleged to be owing by Landlord.

29.17 Counterparts.

This Lease may be executed in any number of counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same agreement.

29.18 Drafting Presumption; Review Standard.

The parties acknowledge that this Lease has been agreed to by both the parties, that both Landlord and Tenant have consulted with attorneys with respect to the terms of this Lease and that no presumption shall be created against the drafting party. Any deletion of language from this Lease prior to its execution by Landlord and Tenant shall not be construed to raise any presumption, canon of construction or implication, including, without limitation, any implication that the parties intended thereby to state the converse of the deleted language. Unless otherwise expressly specified in this Lease, any approval or consent to be given by Landlord may be granted, withheld, or conditioned in Landlord's sole and absolute discretion. For purposes of interpreting the environmental indemnity, cleanup, and restoration provisions of this Lease, where such provisions in the Original Lease are expressed differently in this Lease, the parties agree that such environmental provisions of this Lease shall not be construed to have a narrower or more limited interpretation than the analogous provisions of the Original Lease.

29.19 Estoppel Statement.

At any time and from time to time upon not less than 15 business days' notice by Landlord, Tenant shall execute, acknowledge and deliver to Landlord or any other party specified by Landlord an estoppel statement certifying that this Lease is unmodified and in full force and effect (or if there have been modifications, that the same, as modified, is in full force and effect and stating the modifications) and the date to which each obligation constituting Rent has been paid, and stating to Tenant's knowledge whether or not Landlord is in default in performance of any covenant, agreement or condition contained in this Lease, and, if so, specifying such default of which Tenant may have knowledge, and any other information regarding the Lease or Tenant's performance reasonably requested by Landlord. At any time and from time to time upon not less than fifteen

15 business days' notice by Tenant or a Permitted Lender, Landlord shall execute, acknowledge and deliver to such Permitted Lender an estoppel statement in the Form of Landlord's Estoppel Statement attached hereto as Exhibit H.

29.20 Certified Access Specialist.

For purposes of Section 1938 of the California Civil Code, Landlord hereby discloses to Tenant, and Tenant hereby acknowledges, that the Premises have not undergone inspection by a Certified Access Specialist ("**CASp**") (defined in California Civil Code Section 55.52(a)(3)). Pursuant to Section 1938 of the California Civil Code, Landlord hereby provides the following notification to Tenant: "A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction related accessibility standards within the premises." If Tenant requests to perform a CASp inspection of the Premises, Tenant shall, at its sole cost, retain a CASp approved by Landlord (provided that Landlord may designate the CASp, at Landlord's option) to perform the inspection of the Premises at a time agreed upon by the parties. Tenant shall provide Landlord with a copy of any report or certificate issued by the CASp (the "**CASp Report**") and Tenant shall, at its sole cost, promptly complete any modifications necessary to correct violations of construction related accessibility standards identified in the CASp Report, which modifications will be completed in accordance with terms of this Lease, including, but not limited to, Article 6 hereof. Tenant agrees to keep the information in the CASp Report confidential except as necessary for Tenant to complete such modifications.
